❖ ❖ ❖

Augmenting Paddy Production in the State:

Packages for Delta Region:

- Due to insufficient rainfall and poor storage of water, the Hon'ble Chief Minister has announced the "Kuruvai Cultivation Package" at an outlay of Rs.56.92 crore on 12.06.2017 and Rs.115.67 crore on 08.06.2016, to protect the welfare of the delta farmers of Thanjavur, Tiruvarur and Nagapattinam Districts and delta area of Cuddalore, Trichy, Ariyalur and Karur Districts and to encourage the delta farmers to take up Kuruvai cultivation utilizing the ground water. This package helped the delta Districts to bring an area of 2.73 lakh acres of Kuruvai Paddy and 0.683 lakh acres of Pulses in 2017 and 3.19 Lakh acres under Paddy, 0.26 Lakh acre under pulses in 2018 benefiting 2,58,482 farmers and 2,83,529 labourers.

- **Focus to Direct seeding of Paddy cultivation:** For samba paddy, the Hon'ble Chief Minister of Tamil Nadu has announced Samba Package 2017 with an outlay of Rs.41.15 crore on 28.09.2017 with more focus to direct sowing of paddy cultivation utilizing the rainfall received in delta Districts, due to the advantages viz., lesser water requirement, lesser cost of cultivation and reducing the duration from 10 to 15 days. Due to this package, paddy coverage touched an area of 10.707 lakh acres in samba season and 2.143 lakh acre in Thaladi season benefiting 2,52,407 farmers.

- For promotion of direct sowing of paddy in 2019-2020, Hon'ble Chief Minister has announced the ploughing subsidy of Rs.18 crore to cover an area of 3 lakh acre. Under this scheme, 1,89,007 farmers have been benefited.

- **Aim for improvement of pulses:** Pulses being the short duration and less water intensive crops, the State Government is giving more focus for promotion of pulses. Assistance is given for production and distribution of high yielding varieties,

distribution of implements, critical inputs like MN Mixture, Gypsum and PP Chemicals. Totally, an amount of Rs.199.95 Crore has been spent in the last three years. Hence, coverage under pulses has reached 19.40 lakh acre in 2016-2017, 20.38 lakh acres in 2017-2018 and 20.41 lakh acres in 2018-2019. Pulses Production has crossed 5.5 lakh tonnes in 2017-2018 and 2018-2019.

- For ensuring remunerative price for pulses growers, the State Government has taken steps for implementation of Price Support Scheme to procure pulses at Minimum Support Price announced by Government of India. From 2017-2018 to Kharif, 2019, 9,242.45 MT of Pulses have been procured directly from farmers through Regulated Markets, which helped all pulses growers to realize good price in the open markets.
- During 2019-2020, an area of 15 lakh acres has been brought under pulses cultivation till date, against the programmed area of 23.50 lakh acre. A sum of Rs.47.13 crore has been provided for promotion of pulses.
- **Food grain Production:** Food grain Production in Tamil Nadu has crossed 100 lakh MT six times.
- **Recognition by Krishi Karman Awards:** Tamil Nadu has bagged "Krishi Karman award" five times from Government of India, in the categories of production of Food grains, Pulses, Coarse Cereals and Oilseeds. Recently, the Krishi Karman Award for Oilseeds.
- **Dryland Agriculture:** Dry land Agriculture has been implemented from 2016-2017 for the development of 25 lakh acres of dryland in a period of four years. Under this scheme, 3,814 farm ponds, 977 Check dams and 83 Community/ Village ponds were created apart from deepening of 308 ooranies and field bunding in more than 59,134 hectares, till date. Assistance has been extended for ploughing in 24.995 lakh acres, quality seeds have been supplied. 829 Custom Hiring Centres and 173 Value Addition units were established. Further, Nutrition and medicines were distributed for the welfare of cattles in the clusters. Besides, two Palmyra nuts and Horticulture plants viz., Mango, Amla, Pomegranate, Lemon were also planted. Through various services implemented at an outlay of Rs.579 crore, this scheme, has enabled to double the income of the farmers, who depend on dryland agriculture.

PMFBY

- **Insurance Cover to farmers affected due to Natural calamities**:
  - During 2016-2017, an area of 35.54 lakh acre was insured and 18.73 lakh farmers were benefited. A sum of Rs.566 crore was released to the Insurance Companies as State share of premium subsidy. So far, an amount of Rs.3,610 crore has been sanctioned to 13.01 lakh farmers as compensation claims and a sum of Rs.3,595 crore has been credited into the bank account of 12.12 lakh farmers.
  - During 2017-2018, about 15.18 lakh farmers were enrolled and an area of 31.71 lakh acre were insured. A sum of Rs.651 crore was released by the State Government towards payment of State share of premium subsidy to the Insurance

Companies. So far, an amount of Rs.1,971 crore has been sanctioned to 10.34 lakh farmers of which Rs.1,929 crore has been credited into the bank account of 9.45 lakh farmers .

- ✶ During 2018-2019, an area of about 35.37 lakh acres cultivated by the 24.04 lakh farmers has been insured. About 75% of the Gross Cropped Area has been insured against the target fixed by Government of India which is the highest ever in the past 3 years. A sum of Rs.737 crore has been released by the State Government as state share of premium subsidy to the Insurance Companies. So far, an amount of Rs.1,944 crore has been sanctioned to 11.99 lakh farmers of which and Rs.1,731 crore has been credited into the bank account of 10.37 lakh farmers.

- ✶ During 2019-2020, about 20.11 lakh farmers have been enrolled so far and an area of 31.12 lakh acre has been insured. A sum of Rs.635 crore has been allocated by the State Government towards payment of State share of premium subsidy to the Insurance Companies. So far, an amount of Rs. 3.76 crore has been sanctioned and fully credited in to the bank accounts of 9,699 farmers. For Rabi 2019-2020 enrolment has been progressing in a big way.

- ✶ For, the past three years, Rs.7,528 crore was sanctioned for the benefit of 35.437 lakh farmers and credited in their bank account.

- ✶ **Soil Health Card:** During 2017-2018 under the "Mission Soil Health Card" scheme, 6.55 lakh soil samples have been collected and analysed based on which 34.82 lakh soil health cards were distributed to farmers at free of cost for soil test based application of fertilizers.

- ✶ During 2018-2019, 6.47 lakh soil samples were collected, analysed and based on which 35.34 lakh Soil Health Cards were distributed to farmers at free of cost.

- ✶ During 2019-2020, 58,317 Soil samples are collected, analysed and Soil Health Cards are distributed. Demonstrations are laid in an area of 13,965 ha.

NMSA

- ✶ **Rainfed Area Development:** During 2017-2018 under NMSA-Rain Fed Area Development, inputs were distributed in 10,402 hectare for sequential cropping system along with distribution of 8,541 Milch animals and 18,350 small ruminants. Further, 518 Permanent and 522 Temporary Vermi compost units were established utilising Rs.29.91 crore benefiting 20,776 farmers. In 2018-2019 under Rain fed Area Development, two-crop sequence along with border crop have been covered in 31,888 ha, Tree-sylvi pastoral system in 137 ha. Further under Value addition and Resource Conservation, 4,736 apiary units have been distributed and 590 Permanent Vermicompost units were established at an expenditure of Rs.31.93 crore benefiting 36,338 beneficiaries.

- ✶ **Integrated farming system:** As a strategic approach, Integrated farming system units based on agro climatic zones were established under National Agricultural Development Programme during 2018-2019. 2,490 Integrated Farming Units were established in five Districts at a cost

of Rs.22.07 crore benefiting 2,490 farm families.

- In 2019-2020 Integrated Farming system is being implemented in 27 Districts except Ariyalur, Kancheepuram, Kanniyakumari Districts under National Agricultural Development Programme and NMSA-Rain fed Area Development. Assistance of Rs.1 lakh at 50% subsidy is being provided for components such as crop component, Animal Husbandry, Kitchen Garden, Agroforestry, Fodder crops, Vermicompost units, Apiary and Fruit Plants. 4,300 IFS units are being established at an allocation of Rs.44.50 crore targeting 4,300 farm families.

- **Enriching Soil Fertility:** Green manuring was promoted by Distribution of Green manure seeds during 2017-2018 at 50% subsidy in 46,191 ha. at an expenditure of Rs.4.97 crore benefiting 23,651 farmers. In 2018-2019 the Green manure seeds have been distributed in 13,743 ha. with an expenditure of Rs.1.91 crore benefiting 11,695 farmers.

- **Promotion of Organic Farming:** In the first phase, the scheme is being implemented in 50 clusters in 11 Districts covering 2,496 acres through cluster approach benefiting 2,272 beneficiaries at an expenditure of Rs.5.66 crore. In second phase implemented from 2018-2019,150 clusters were formed in 8 Districts in which the first year activities have been completed at a financial outlay of Rs.4.95 crore and brought an area of 7,500 acres under organic cultivation benefiting 4,943 farmers. The second year activities are being taken up during this financial year with the financial outlay of Rs.5.10 crore.

- **Tamil Nadu Cotton Cultivation Mission (TNCCM):** In the year 2017-2018, an area of 4.58 lakh acres (1.83 lakh hectares) under cotton was covered. During 2018-2019, this scheme was implemented with the financial outlay of Rs.5.36 crore involving distribution of critical inputs such as Micronutrient mixture, liquid bio-fertilizers, biocides, Plant Protection chemicals and High Density Planting System demonstration. During 2019-2020, this scheme is being implemented with the financial outlay of Rs.11 crore with an objective to increase the Extra Long Staple Cotton area to 30,000 MT and so far, 16,609 Ha. has been covered under Extra Long Staple cotton cultivation.

- **Efforts for increasing Sugarcane:** With an objective to enhance the sugarcane productivity, Sustainable Sugarcane Initiatives (SSI) was programmed to a target of 16,000 hectares at a financial outlay of Rs.30 crore during 2017-2018. Against 1600 shade nets, 1,597 numbers of shade nets were installed and 10 crore of single bud chips seedlings are being produced and distributed to sugarcane growers. During 2018-2019, the programme is being implemented with the financial allocation of Rs.11.19 crore covering 42,205 acres.

- **Construction of Integrated Agricultural Extension Centres:** A total of 100 Integrated Agricultural Extension Centres (IAECs) was proposed for modernize at a cost of Rs.150 crore. Out of which, 99 Integrated Agricultural Extension Centres (IAECs) have been inaugurated by Hon'ble

Chief Minister. The remaining one IAEC is to be inaugurated shortly.

ATMA

- ✶ Efforts for efficient agricultural extension: For empowering the farmers on latest farm technologies, 360 Interstate Trainings and 748 Within the State trainings and 20,598 District level trainings conducted. 8,61,040 farmers were benefited at a cost of Rs.35.18 crore.
- ✶ Besides, 401 Inter State Exposure Visits, 1,763 Within the State Exposure Visits of farmers and 3,027 Within the District Exposure visits have been taken up with an amount of Rs.16.19 crore benefiting 2,47,520 farmers. 1,618 Farm Schools have also been organized at a cost of Rs.475.91 lakh and 40,450 farmers were benefited.
- ✶ 1,03,127 demonstrations were organized at a cost of Rs.2274.65 lakh benefiting 1,03,127 farmers.
- ✶ **Collective farming:** 4,00,000 Small and Marginal farmers were integrated into 20,000 Farmer Interest Groups and these groups were federated into 4,000 Farmer Producer Groups who have purchased 16,683 farm machineries including 1,386 Tractors, 3,583 Power Tillers, 3,866 Power Weeders, 2,079 Rotavators, 3 Combined harvesters worth Rs.231 crore and are utilised by the farmers. On the successful completion of two years, the scheme is implemented in 2019-2020 with a financial outlay of Rs.100.58 crore in which 10,000 Farmer Interest Groups were formed and federated into 2,000 Farmer Producer Groups.

Uzhavan app

- ✶ As a pioneer State in delivering the agricultural information to farmers through Information Technology, Uzhavan mobile application was launched by Hon'ble Chief Minister of Tamil Nadu on 05.04.2018 with 15 vital services in both English and Tamil by Agricultural Department. So far 5.61 lakh farmers have downloaded and are using this mobile application and 1,10,257 Farmers have registered on priority basis for getting subsidy for high value inputs.
- ✶ A new service "My farm guide" was an add on feature in this application through which farmer can know day wise calendar of operations to be carried out for his crop to get higher yield. Moreover, he will get remedial measures for his crop when it is affected by Pest and Diseases within 24 hours of his submission of the photo through this application.
- ✶ Through Crop Insurance service in this application, farmers can know notified crop and premium rate to be paid for his village, place of enrolment and know his insured application status.
- ✶ Moreover, farmers can know real time availability of Seeds and Fertiliser in his locality, daily water level in major reservoirs, weather based agro advisory for next four days, nearby custom hiring centre information, daily market price on Agricultural Commodities and Vegetables, Field functionaries visit details to his Villages, value added products by Farmer Producer Organisation, Crop wise organic farmer and traders details and Organic Certification Agencies and Agricultural

Information to farmers through Push Notification.

- ✶ The Confederation of Indian Industry (CII) and Information Technology Department felicitated the Uzhavan mobile application. Ministry of Electronics and Information Technology, Government of India has taken steps to replicate Uzhavan mobile application at National level.

Gaja Package

- ✶ From the State Disaster Responsive fund, a sum of Rs.586.24 crore was paid as relief to 1,17,225 affected coconut farmers at Rs.1,100 per tree for 53.29 lakh affected coconut trees.
- ✶ From the State Disaster Responsive fund a total of Rs.14.41 crore was paid to 20,550 farmers for the other crops. (Paddy, sugarcane, cotton, pulses, Maize-Rs.13,500 per ha, Cholam –Rs.7,410 per ha and Oilpalm – Rs.18,000 per ha.)
- ✶ Under the Mahatma Gandhi National Rural Employment Guarantee scheme (MNREGS), so far 26.73 lakh pits were taken and replanting completed for 24.44 lakh coconut seedlings.

Livelihood package for Gaja Cyclone affected coconut farmers:

- ✶ So for 26.74 lakh coconut seedlings were distributed to the farmers free of cost.
- ✶ Seeds of Minor millets, Pulses and Oilseeds along with critical inputs were distributed to 50,240 ha. for Rs.19.90 crore to take up intercropping in the affected coconut gardens.
- ✶ So far in the affected coconut garden Micro irrigation units were installed in 6,800 ha. for Rs.13.08 crore.

Fall Armyworm

- During the year 2018-2019, Fall Armyworm made a new invasive in maize crop and damaged more in 2.21 lakh Ha. In order to relief from that Fall Armyworm distress the Government of Tamil Nadu has distributed a sum of Rs.186.25 crore from the Tamil Nadu Government Distress Relief Fund for the benefits of 2,93,424 farmers.

MGR Centenary Award

- To promote the farmers who are cultivating traditional paddy and getting higher yield through traditional practices will be awarded with "Bharath Ratna Dr. M.G.R. Paddy Traditional varieties conservation award" and cash award of Rs.1 lakh, Rs.75,000 and Rs.50,000 respectively. Accordingly, during 2018-2019, Smt. S.Krishnambal of Tirunelveli cultivated 'Aathur kichili samba', Thiru. I.Nagarajan of Ariyalur cultivated 'mapillai samba' and Thiru. P.Pichaimurugan of Virudhunagar cultivated 'Jeeraga samba' will be awarded with cash prize.

Horticulture and Plantation Crops

Increase in Area and Production in Horticulture Crops

- The Area under Horticulture crops which was 13.15 lakh ha in 2016-2017 has been increased to 13.77 lakh ha in 2018-2019 as per 3rd Advance Estimates. During the year 2019-2020 up to November, the area under Horticulture crops recorded was 13.85 lakh hectares.
- The Production of Horticultural crops which was 136 lakh Metric tonnes in the year 2016-2017, was increased to 179.16 lakh MT in the year 2018-2019 as per the 3rd Advance Estimates.

Micro Irrigation under PMKSY

- During the Year 2016-2017, under PMKSY – MI, Micro Irrigation system was installed in an area of 32,177 Ha. incurring an expenditure of Rs.207.33 crore in respect of Horticulture crops and in 20,137 Ha. incurring an expenditure of Rs.90.54 crore in respect of Agriculture crops, totalling an area of 52,314 Ha. with a total expenditure of Rs.297.87 crore.
- In the year 2017-2018, Micro Irrigation systems were installed in an area of 3,127 Ha incurring an expenditure of Rs.21.39 crore in Horticulture crops and in an area of 1,317 Ha. incurring an expenditure of Rs.10.20 crore, totalling an area of 4,444 Ha. with a total expenditure of Rs.31.59 crore.
- During the Year 2018-2019, Micro Irrigation system was installed in an area of 59,699 Ha. with an expenditure of Rs.376.42 crore in Horticulture crops and in 81,958 Ha. with an expenditure of Rs.324.27 crore in Agriculture crops, totalling an area of 1.41 lakh Ha. with a total expenditure of Rs.700.69 crore.
- In the year 2019-2020, Micro Irrigation systems have been installed in an area of 74,962 Ha. with an expenditure of Rs.383.24 crore in Horticulture crops and in an area of 94,382 Ha. with an expenditure of Rs.364.73 crore, totalling an area of 1,69,344 Ha. with a total expenditure of Rs.747.97 crore.

Assistance to Farmers for Horticulture Crops through Horticulture Schemes

National Horticulture Mission

- From the year 2016-2017 to 2019-2020, under New Area Expansion 48,257 hectares have been covered at an outlay of Rs.92.50 crore. About 5,949.47 hectares have been covered under protected cultivation like Poly green house, Shade Net House, Anti bird net and Mulching at an outlay of Rs.94.50 crore. Rs.60.98 crore has been allotted for post harvest infrastructures like pack houses, low cost onion storage structures, cold storage units, Integrated pack houses and pre-cooling units.
- The scheme which was implemented at an outlay of Rs.78.55 crore in the year 2016-2017 at an outlay of Rs.108.10 crore in 2017-2018 and at an outlay of Rs. 91.75 crore in the year 2018-2019. For the year 2019-2020, the scheme is being implemented at an outlay of Rs.163.33 crore.
- Under New Area Expansion, 10,076 hectares have been covered at an outlay of Rs.18.36 crore. About 844.25 hectares have been covered under protected cultivation like Poly Green House, Shade Net House, Anti bird net and Mulching at an outlay of Rs.21.29 crore. Under Post Harvest Management component, 305 pack houses, 450 low cost onion storage structures and One pre-cooling unit are being established at an outlay of Rs.10.12 crore.

National AYUSH Mission

- During 2016-2017, this scheme was implemented with an expenditure of Rs.2.52 crore for extending cultivation assistance to the tune of 30% or 50% (varies with crop) of total cost of cultivation to cover 960.05 Ha. under medicinal plants such as Coleus, Black nightshade (Manathakkali), Gloriosa, Amla, Black Pepper and Cocum.
- During 2017-2018, this scheme was implemented at an outlay of Rs.2.28 crore for extending cultivation assistance to the tune of 30% or 50% (varies with crop) of total cost of cultivation to cover an area of 748.05 Ha. under medicinal plants such as Coleus, Black nightshade (Manathakkali), Gloriosa, Amla, Black Pepper and Cocum.
- During 2018-2019, the scheme was implemented covering an area of 765 hectares at an outlay of Rs.1.73 crore for extending cultivation assistance to the tune of 30% or 50% (varies with crop) for medical plant.

Tamil Nadu Irrigated Agricultural Modernization Project (TN-IAMP)

- This scheme is proposed to be implemented form 2018-2019 to 2023-2024 at an outlay of Rs. 210.00 crore in 66 sub basins covering 30 Districts.
- During 2018-2019, this scheme was implemented in Kancheepuram, Tiruvallur, Cuddalore, Villupuram, Perambalur, Krishnagiri, Dharmapuri, Dindigul, Theni, Thanjvur, Tiruvarur, Pudhukottai, Trichy, Tirunelveli, Erode, Coimbatore, Ramanathapuram, Sivagangai, Nagapattinam, Madurai, Thoothukudi and Virudhunagar covering 18 sub-basins with an expenditure of Rs.17.62 crore.
- During 2019-2020, this scheme is being implemented in all Districts except Kanniyakumari, Chennai, Nilgiris and Tiruppur at a total outlay of Rs.38.95 crore

covering 34 sub basins with components such as crop demonstration at Rs.14.10 crore, Micro Irrigation installation at Rs.20.23 crore, Bio Village component at Rs.5.28 lakh, Shade net construction at Rs. 90.52 lakh and mulching at Rs.21.76 lakh.

National Agricultural Development Programme (NADP)

- This scheme was implemented during the year 2016-2017 at an outlay of Rs.36.89 crore. During the year 2017-2018, it was implemented with an expenditure of Rs.29 crore. During the year 2018-2019, it was implemented with an expenditure of Rs.27.87 crore and during the year 2019-2020, it is being implemented at an outlay of Rs.22.54 crore.
- During the year 2016-2017, Pandal cultivation was taken up in an area of 500 Ha. at an outlay of Rs.10 crore. During the year 2018-2019, Pandal cultivation was taken up in an area of 300 Ha. at an outlay of Rs.6 crore. During the year 2018-2019, Pandal cultivation was taken up in an area of 150 Ha. at an outlay of Rs.3 crore.
- During 2016-2017, an amount of Rs.87.87 lakh was spent on Protected cultivation in an area of 23,000 Sq.m. During 2017-2018, an area of 1,04,637 Sq.m was covered under Protected cultivation at an outlay of Rs.4 crore. During the year 2018-2019, Protected cultivation structures were established in an area of 96,000 Sq.m at an outlay of Rs.3.68 crore. During 2019-2020, Protected cultivation is being taken up in an area of 1,06,331 Sq.m at an outlay of Rs.4.24 crore.
- During the year 2016-2017, area expansion of 6,342 Ha. of Horticultural Crops was carried out with an expenditure of Rs.11.66 crore. During the year 2017-2018, area expansion of Horticultural crops was taken up in an area of 6,942 Ha. with an expenditure of Rs.14.23 crore. During the year 2018-2019, area expansion of Horticultural Crops was taken up in an area of 2,718 Ha. with an expenditure of Rs.4.81 crore. During the year 2019-2020, area expansion of Horticultural crops is being taken up in an area of 6,558 Ha. at an outlay of Rs.11.68 crore.

Rainfed Area Development (RAD)

- During the year 2016-2017, this scheme was implemented with an expenditure of Rs.11.16 crore. During the year 2017-2018, this scheme was implemented at an outlay of Rs.22.39 crore. During the year 2018-2019, this scheme was implemented with an expenditure of Rs.20.56 crore and during the year 2019-2020, this scheme is being implemented at an outlay of Rs.19.25 crore.
- During the year 2016-2017, an expenditure of Rs.8.04 crore was made for the implementation of Horticulture based farming in an area of 3,217 Ha. During the year 2017-2018, an amount of Rs.15.13 crore has been spent on Horticulture based farming in an area of 6,052 Ha. During the year 2018-2019, an amount of Rs.10.35 crore has been spent to cover an area of 4,141 Ha. under Horticulture based farming.
- During 2016-2017, an amount of Rs.1.22 crore was spent on protected

cultivation to cover an area of 26,000 Sq.m. During 2017-2018, an area of 1,21,000 Sq.m. was covered under Protected cultivation at an outlay of Rs.4.8 crore. During the year 2018-2019, Protected structures were established in an area of 1,78,705 Sq.m. at an outlay of Rs.7 crore. During 2019-2020, Protected cultivation is being taken up in an area of 1,40,077 Sq.m at an outlay of Rs.3.26 crore.

- During the year 2016-2017, 520 Permanent vermi compost units were established with an expenditure of Rs.1.3 crore. During the year 2017-2018, 206 Permanent vermi compost units were established with an expenditure of Rs.51.5 lakh. During the year 2018-2019, 427 Permanent vermi-compost units were established with an expenditure of Rs.1.07 crore.

- During the year 2019-2020, Integrated Farming System is being taken up in 13 Districts at an outlay of Rs.13 crore. Under this component, assistance is being provided for Horticulture based farming, establishment of apiary units, establishment of Permanent Vermi-compost units and Purchase of milch cows, Sheep/goat, poultry birds.

Paramparagat Krishi Vikas Yojana (PKVY)

- The scheme is implemented through adoption of Participatory Guarantee System (PGS) certification. During the year 2015-2016, an expenditure of Rs.3.60 crore was made to take up Organic farming in 51 clusters located in 27 Districts. During 2016-2017, Rs.2.54 crore has been spent on the same clusters. Third year Rs.1.48 crore

- During the year 2018-2019, an amount of Rs.0.78 crore has been spent for first year programme of the 11 clusters and an amount of Rs.0.35 crore has been spent for second year programme.

- During the year 2018-2019, an amount of Rs.1.65 crore has been spent to promote Organic cultivation of Mango in Krishnagiri District.

- During the year 2019-2010, the scheme is being implemented at an outlay of Rs.2.21 crore.

Integrated Horticulture Development Scheme (IHDS)

- During the year 2016-2017, an area of 6,090 Ha. was covered under Horticultural crops with an expenditure of Rs.4.12 crore. During the year 2017-2018, an area of 4,581 Ha. was covered under Horticultural crops at an outlay of Rs.4.12 crore. During the year 2018-2019, an area of 4,906 Ha. was covered under Horticultural crops with an expenditure of Rs.4.12 crore. During the year 2019-2020, it is proposed to cover an area of 24,771 Ha. under Horticultural crops at an outlay Rs.31.36 crore.

Pradhan Mantri Fasal Bima Yojana

- During 2016-2017 (Kharif and Rabi) 39,723 farmers were enrolled covering an area of 25,176 Ha. for notified Horticultural crops. An amount of Rs 73.355 crore has been disbursed to 30,684 Farmers for the year 2016-2017

- During 2017-2018 (Kharif and Rabi) 69,527 farmers were enrolled covering an area of 39,887 Ha. for notified Horticultural crops. An amount of Rs 52.406 crore has

been disbursed to 40,609 Farmers for the year 2017-2018.

- During 2018-2019 (Kharif and Rabi) 1,06,342 farmers were enrolled covering an area of 47,625.88 Ha. for notified Horticultural crops. An amount of Rs.0.392 crore has been disbursed to 433 farmers for Onion and Potato crops alone. For Banana, Turmeric and Tapioca the Insurance Company will disburse the amount shortly to the eligible farmers.
- During 2019-2020, so far 55,668 farmers have been enrolled covering an area of 21,900.14 Ha. for notified Horticultural crops.

State Horticulture Farms and Parks & Gardens

- During the year 2016-2017, 6.36 crore planting materials were produced and distributed at various State Horticulture Farms and Parks & Gardens.
- During the year 2017-2018, 9.26 crore numbers of planting materials were produced in State Horticulture Farms and Parks and Gardens and distributed to the farmers.
- 19 State Horticulture Farms in 10 Districts are being strengthened with additional infrastructure facilities like storage godowns, bore wells, Poly green houses, Shade net and pathway utilizing an amount of Rs.20.76 crore.
- During the year 2018-2019, 14.36 crore numbers of planting materials were produced in State Horticulture Farms and Parks and Gardens and distributed to the farmers.
- Ecopark at State Horticulture Farm, Kanniyakumari was established in an area of 15 acre at a cost of Rs.4 crore and was inaugurated by the Hon’ble Chief Minister on 05.04.2018.
- Rose garden and Cut flower demo garden at Kodaikanal, established at an outlay of Rs.14.85 crore was inaugurated by the Hon’ble Chief Minister on 19.05.2018.
- During 2018-2019 Horticulture Park which was established in an area of 8.50 Ha. at Madhavaram was opened to the public on 18.10.2018.
- It has been programmed to produce 22.39 crore numbers of planting materials

in the year 2019-2020 and a production of 13.87 lakh planting materials has so far been achieved.

Farm tourism

- To impart knowledge on latest Horticultural technologies to students and farmers, Farm tourism was initiated in all State Horticulture Farms, Parks and Gardens throughout the State. During 2018-2019, 12,326 students visited the farms under farm tourism. During 2019-2020, 32,257 students have visited the farms so far.

Public and Private Functions-Return gifts:

- This programme has been launched for distribution of quality fruit plants and planting materials of other Horticultural crops from State Horticulture Farms for public and private functions and also 3,06,209 planting materials have so far been distributed. During 2019-2020, the supply of 10 lakh numbers of plants have been targeted, out of which 3,75,637 plants have so far been distributed in functions.

Creation of Marketing facilities for Horticulture produce through TANHODA Outlets.

- In State Horticulture Farms, various usufructs like Fruits, Vegetables, Flowers, Spices, Plantation crops, etc., and by products like Jam, Jelly, Squash, Pickle, etc are produced and sold in the farm gates. New TANHODA outlets in all Districts at District Collectorate, Joint Director / Deputy Director of Horticulture Office Complex or in the places where public access is at ease have been opened to sell the farm fresh fruits, vegetables and also other materials like farm tools and implements, inputs for roof garden kits, vegetable seeds, Spice boxes, Dry fruit boxes, FPO products, etc., directly to public.
- This programme ensures that quality produce and products are being sold at a nominal price to the public in these outlets. Meanwhile, TANHODA outlet facilitates the farmers / FPOs to have choice for selling their products at nominal cost without any intermediaries. 8 Permanent outlets are established at an outlay of Rs.2 crore and 24 Temporary outlets are established at a cost of Rs.1.2 crore.

Enhancing aesthetic environment through Landscape wing of TANHODA:

- TANHODA is implementing various schemes benefiting the farmers. In addition, TANHODA is maintaining 19 Parks and Gardens all over the State with beautiful landscapes with the help of the technical people in this Department. In urban areas / metropolitan cities like Chennai, Coimbatore, Trichy and Madurai of Tamil Nadu, landscape is gaining more popularity since people are most interested in creating greenery in their surroundings. At present, only private landscape firms without any technical background are involved in landscape activities and get higher profits. Hence, to cater the landscape needs of urban people, TANHODA has established a landscape wing consisting of all technical people required for design and execution of the projects.
- This wing takes up projects on establishment of new landscape, maintenance of existing landscape, kitchen garden, rooftop / terrace garden, etc., for various Departments,

industries and public depending upon their requirement at a nominal cost.

Collective Farming Scheme for Horticulture

- The Government of Tamil Nadu has announced an innovative programme in Budget speech 2017-2018 for organizing small and marginal farmers into Farmer Producer Groups which will be federated into Farmer Producer Organizations to promote collective farming at an outlay of Rs.100 crore. Under Horticulture Department, 505 FPGs were formed and 2,226 machineries have been purchased with a financial sanction of Rs.25.25 crore for the year 2017-2018.
- During 2018-2019, 2,000 FPGs have been formed by both Agriculture and Horticulture Departments. Out of this, 505 FPGs were formed under Horticulture Department and 2,221 machineries have been purchased with financial sanction of Rs.25.25 crore for the year 2018-2019.

Horticulture Training Centres (HTC)

- Hi-tech Horticulture crop cultivation training has been imparted to 3,000 farmers at an outlay of Rs.7.5 lakh each year. 12,000 farmers have been trained at an outlay of Rs.30 lakh during last 4 years.
- Apart from farmers' training, Two year Diploma in Horticulture is being offered at Tamil Nadu Horticulture Management Institute, Madhavaram, Chennai, Horticulture Research and Training Centre, Thally, Krishnagiri District and Centre of Excellence for Vegetables-Rediyarchathiram, Dindigul District with the intake of 50 students annually in each centre and hence totally 150 students are being enrolled for the programme every year.
- Short term skill training to 5,340 youth at an outlay of Rs. 6.21 crore in the subject of Gardener, Micro Irrigation technician and Florist and 66 days Horticulture Technician training to 500 youth at an outlay of Rs.1.14 crore are being imparted under the skill fund of Tamil Nadu Skill Development Corporation.

Agricultural Engineering Department

- Totally 22,796 Agricultural Machinery and Implements like Tractor, Power Tiller, Rotavator etc., were distributed under Sub Mission on Agricultural Mechanization (SMAM) to the individual farmers with an subsidy assistance of Rs.221.35 crore.
- Post Harvest Technology and Management Machinery were distributed to the farmers with an subsidy assistance of Rs.99.87 lakh under Distribution of Post Harvest Technology and Management Machinery.
- Till date, 1,353 Custom Hiring Centres (CHCs) were established at Village level with the subsidy assistance of Rs.130.48 crore.
- 11 Hi-Tech Machinery/Equipments Custom Hiring Centres (CHCs) for sugarcane cultivation with the subsidy assistance of Rs.5.76 crore.
- Till date, 738 Custom Hiring Centres(CHCs) were established at Village level with the subsidy assistance of Rs.59.02 crore.
- 2,500 demonstrations of Tractor Operated Ridge moulder have been conducted in farmers field at a cost of Rs.8.50 lakh.

- For the benefit of Farming community, Higher hp tractor (above 50 hp), Tractor operated implements/equipments such as rotavators, five tyne cultivators, disc ploughs, Ridge moulders purchased by Agricultural Engineering Department at a cost of Rs.14.10 crore.

- To promote judicious use of water to increase the area under kuruvai cultivation in Delta Districts, 90 millimeter diameter and 6 meter length of 30 irrigation pipes of 1,000 units were procured and given to the farmers at a cost of Rs.1.72 crore.

- Mechanized Direct Paddy sowing was taken up in 50,000 acres at the cost of Rs.3 crore to the Delta District farmers under Special package for Samba cultivation by Agricultural Engineering Department.

- The Agricultural Engineering Department has purchased 805 Heavy Duty Chain Saws and 107 Tractor PTO operated Shredder cum Pulverisers to help the GAJA cyclone affected farmers for cutting of fallen trees under National Agriculture Development programme at a cost of Rs.6.60 crore.

- 825 Rural youth Training in Handling, Operation and Maintenance of Agricultural Machinery and Implements, Solar Powered System and Micro Irrigation System was given at a total cost of Rs.1.39 crore under ATMA.

- 547 structures were constructed and land development activities were carried out in an area of 80 hectare with an outlay of Rs.10.79 crore under River Valley Project (RVP).

- 617 structures and land development activities were carried out in 19,896 hectare at a cost of Rs.12.09 crore under Dam Rehabilitation and Improvement Project (DRIP).

- 1,113 rainwater harvesting structures were created for an amount of Rs.30.46 crore under Special Area Development Programme (SADP).

- Under the scheme of Creation of 10,000 Farm ponds, till date 6,452 farm ponds were completed at a cost of Rs.50.62 crore.

- On farm Development works were carried out in 13,229.34 hectare with an outlay of Rs.43.81 crore under the Pradhan Mantri Krishi Sinchayee Yojana.

- 846 water harvesting structures were constructed at a cost of Rs.17.81 crore under the Pradhan Mantri Krishi Sinchayee Yojana.

- 521 Farm ponds were created with an outlay of Rs.2.98 crore under World Bank aided Tamil Nadu Irrigated Agriculture Modernisation Project (TNIAMP).

- 975 Check Dams, 82 Community ponds, 20 Village ponds and 218 Deepening of Ooranies were executed at a cost of Rs.48.79 crore under Mission on Sustainable Dryland Agriculture (MSDA).

- 716 Custom Hiring Centres (CHC) at village level are established for an amount Rs.50.95 crore under Mission on Sustainable Dryland Agriculture (MSDA).

- 163 Value Addition Machinery Units established at a cost of Rs.14.6 crore. Summer ploughing works were carried out in 9.99 lakh hectare with the subsidy assistance of Rs.111.98 crore to the benefit of farmers and field bunding in 61,582

hectare, 3,777 farm ponds and deepening of 89 ooranies are executed at a cost of Rs.48.63 crore.

- From the year 2017-2018 to till date, 413 Water Harvesting Structures, On farm Development and Rehabilitation works in 4,850 hectare were carried out under Rehabilitation of Irrigation Network in Chittar Sub-Basin in Tirunelveli District under NABARD Assistance for Rs.18.62 crore.
- Location specific interventions are carried out under Reclamation of Problem soils at a cost of Rs.8.75 crore in 1,779 hectares such as 157 structures, 96,471 metre peripheral bund formation, deep ploughing and application of inputs.
- 2,192 farm ponds were deepened with NABARD assistance, created under Mahatma Gandhi National Rural Employment Guarantee programme in Ramanathapuram District at a cost of Rs.10.84 crore.
- Till date, 345 water harvesting structures were constructed at a cost of Rs.17.83 crore under National Mission on Sustainable Agriculture.
- 2,733 solar powered pumps are installed at a cost of Rs.112.82 crore under the scheme of provision of Solar powered pumping systems.
- 243 Solar Driers are installed with a subsidy assistance of Rs.4.41 lakh.
- 29 Agricultural Engineering Extension Centres (AEEC) were constructed at a cost of Rs.21.75 crore.
- Modernization of Agricultural Engineering Training Centre in Trichy at a cost of Rs. 2 crore is being carried out.

Agricultural Marketing and Agri Business

- The Government have taken a policy decision to permit the production of Neera from coconut trees. So far, License has been issued for 13 Coconut Producers Organizations. All the licensed Coconut Producer Companies are producing Neera and Value added products from Neera.

Achievement under Regulated Markets

- Through Regulated Markets, 70.20 lakh MT of agricultural produce were sold by farmers and Rs.332.02 crore was collected as revenue from traders.
- In Regulated Markets Pledge loans to the tune of Rs.96.21 crore have been issued to 5289 farmers and Rs. 14.02 crore to 964 traders.
- Construction of Own buildings to Tiruppur Regulated Market in Tiruppur District, Kudavasal and Poonthottam Regulated Markets in Tiruvarur District, Edappadi and Konganapuram Regulated Markets in Salem District, Sethiathoppu and Srimushnam Regulated Markets in Cuddalore District at a total cost of Rs.14.84 crore has been completed and these buildings are under utilization.
- Considering the benefits to the farmers, Tirunavalur Regulated Market in Villupuram and Pullampadi Regulated Market in Perambalur Districts have been established and have started functioning.
- To facilitate the farmers to have more option for selling their produce, traders to

have access to large National market and bulk buyers, processors, exporters to have direct participation in local mandies to get remuneration price for farmers produce e-National Agriculture Market (e-NAM) has been launched in 23 Regulated Markets at a cost of Rs.123.63 crore. Additionally, 40 markets have been sanctioned by Project Appraisal Committee of Government of India to integrate into e-NAM.

- ✶ Multi Storey Storage Godowns with 7,500 MT each at Gingee and Virudachalam Regulated Markets at a cost of Rs.30 crore are being established.
- ✶ Augmentation of Marketing infrastructure in 90 Regulated Markets at a cost of Rs.217.92 crore is under progress.
- ✶ To augment storage facilities, 46 storage godowns at a cost of Rs. 99.51 crore are being constructed at Regulated Markets.

Assistance for Collectivization Concept through Farmer Producer Organizations:

- ✶ To ensure holistic development of farmers, 88 Farmer Producer Organizations at a cost of Rs. 20.61 crore have been formed. Now these Farmer Producer Organisations are registered as Farmer Producer Companies.
- ✶ Under TNIAMP 2019-2020, 26 new FPO's formation is under progress in 18 sub-basin areas of 22 Districts. For the better implementation of scheme, 7 capacity training programmes have been conducted to the Department officials.
- ✶ To benefit the tomato producing farmers of Dharmapuri, Coimbatore, Salem and Krishnagiri, 5 Mobile Tomato Puree Vending Machines for Processing and value addition of tomato have been procured at a cost of Rs.2 crore and handed over to FPO's for utilization.
- ✶ The Government formulated Comprehensive Scheme for providing access to adequate and affordable financing to FPCs through Financial Institutions (Mezzanine Capital Assistance, Credit Guarantee Scheme and Revolving Fund Support). The Scheme envisages benefiting more than 10 lakh farmers by covering more than 1000 FPCs in the next four years. Rs.266.70 crore has been approved by the State in the year 2019-20 for this scheme.
- ✶ Maize Market Promotion Centre has been established at a cost of Rs.3.78 crore at Manglore block of Cuddalore District and is being handed over to FPO through the tender process.
- ✶ To produce and supply quality seeds to farmers, setting up of 30 Seed Processing units by Farmer Producer Organisations in 19 Districts at a cost of Rs.18 crore is under progress.

Achievements in Capacity Building

- ✶ To impart Value addition training, disseminate market information and forecast the price of agricultural produce to the farmers and other stakeholders in a better manner, e-Learning Centres have been established in 10 Districts at a cost of Rs.7.34 crore.
- ✶ Through the Training centre of Tamil Nadu State Agricultural Marketing Board, 742 trainings on Post harvest Technology Management to 14,438 farmers and 117 trainings on Capacity Building to 2,157 Officials were imparted.

- To disseminate latest agricultural technologies to farmers and to sensitise the Department officials, Seminars on Banana, Chillies and Vegetables, fruits and coconut Neera were organized at Districts.
- Under TNIAMP, an amount of Rs.10.45 crore has been sanctioned for 18 sub basins, by the World Bank for Improving Farmer access to Markets, Promoting Agri Enterprises & Institutional Strengthening and organizing Capacity Building training programme.

Specialized Markets and Value Addition

- Kallikudi Central Market for Fruits, Vegetable and Flowers, Integrated Market Complex for chillies, Storage Godowns, Cold Storages and Transaction Sheds are constructed at a total cost of Rs.128.37 crore and are under farmers' utilization.
- Market Complex for Flower at Hosur Regulated Market has been established at an amount of Rs. 3.36 crore.
- Hon'ble Chief Minister has announced extending the SCM project additionally in 5 Districts for cultivation of vegetables and fruits at a cost of Rs.100 crore under rule 110 during 2019-2020 Assembly Sessions for the benefit of farmers. In continuation of this announcement, three more Districts were included to implement the SCM project totalling 8 Districts at a cost of Rs.102.47 crore under NABARD warehousing infrastructure fund and is under progress.
- International Flower Auction Centre at Hosur at a cost of Rs.20.20 crore under SCM Project and is under progress.
- To benefit the coconut farmers of Kanniyakumari District, Coconut Value Addition Centre is being established at a cost of Rs.16 crore and the construction work is under progress.
- Amma Green Park is being established at a cost of Rs.30.75 crore in an extent of 6.88 acre at Guindy, Chennai.

Policy Initiatives for farmers and other stakeholders

- To increase farmers' income and to reduce wastage of food products by value addition of farm products, a separate Food processing policy was unveiled by the Hon'ble Chief Minister on 12.12.2018 as per the announcement made in the Budget Speech 2018-2019. In the Tamil Nadu Food Processing Policy 2018, various incentives and support measures for Land, Water and Power, Capital subsidy, Interest subsidy, Increased interest subsidy for Women or Scheduled Caste / Scheduled Tribe Entrepreneurs, Tax incentives, Stamp duty exemption, Market fee exemption, Marketing assistance, Quality Certification facility, Transportation assistance, Export incentives, Skill development initiatives for worker in the industry, Research & Development and Testing Labs facility, Single Window Clearance, Labour concession etc., have been included. This policy envisages encouraging and facilitating the setting up of more numbers of Food Processing Industries by Agro - entrepreneurs in the State. Tamil Nadu Food Processing Policy Guidelines are under the consideration of the Government.

- ✶ Ensuring Minimum Support Price to the farmers' produce is one of the important initiatives where in the State Government has taken pioneering steps for the procurement of Black gram, Green gram and Copra from farmers under Price Support Scheme.
- ✶ Government took initiatives for the establishment of Mega Food Parks in selected nine Districts for bringing value addition to prevent food wastage and to get good remunerative price for the farmers' produce. The proposal was applied for grant of Rs. 10 crore for 8 food parks to be developed at Dindigul, Krishnagiri, Salem, Tiruvannamalai, Theni, Madurai, Cuddalore and Villupuram (Tindivanam) under the scheme, Agro Processing Cluster of PMKSY, Ministry of Food Processing Industries, GOI.
- ✶ Amendments have been made in the existing Tamil Nadu Agricultural Marketing (Regulation) Act 1987 to facilitate, e-Trading, Single Point Levy of Market Fee and Unified Single License for implementing e-National Agriculture Market have been extended for the welfare of the farmers.
- ✶ To ensure benefit of farmers in contract farming, Government of Tamil Nadu have drafted Tamil Nadu Agricultural Produce and Livestock Contract Farming and Services (Promotion and Facilitation) Act and passed in Legislative Assembly on 14.02.2019. The Hon'ble President of India has given his assent to the act and enacted in Tamil Nadu as Tamil Nadu Act 37/2019. Tamil Nadu has become the first State to enact such law exclusively for Contract Farming. This act assures the contract farming farmers with pre-assured price for the produce and safeguard the interest of farmers during the times of bumper crop when market prices fluctuate.

Agmark Laboratories

- ✶ Agmark grading protects the consumers from harmful effects of consuming adulterated food products and ensures quality of food products. Through Agmark Labs, 60.54 lakh quintal of food products have been graded.
- ✶ AGMARK Laboratory construction at Virudhunagar is under progress at a cost of Rs. 60 lakh.

Tamil Nadu Agricultural University

- ✶ Inauguration of students facilitation centres with hostel, kitchen cum dining hall were inaugurated by Hon'ble Chief Minister on 18.03.2018 worth of Rs. 18.75 crore for the students' welfare.
- ✶ Inauguration of Insect Museum for public to create awareness and students of common interest at a cost of Rs. 2.10 crore.
- ✶ Creation of multiple infra structure for 7 Agricultural Colleges & 3 Research Stations at a cost of Rs.108.04 crore.
- ✶ A special drive on creation of Centre of Excellence in Biotechnology at a cost of Rs.430 crore for 10 years with an initial amount of Rs.14.75 crore has been released.
- ✶ Additional students amenities viz., girls hostel, kitchen amenities, additional class room facilities, laboratories, examination centre, study centre etc., to the tune of Rs.58.68 crore.

- Citrus Research Station at Sankarankoil, Mango Research at Krishnagiri, Crop cafeteria at Thoothukudi with its inbuilt infrastructure were created at a cost of Rs.9.50 crore.
- Farmer trainees hostel at Tiruchirapalli at a cost of Rs.2.57 crore.
- World Bank aided, Irrigation project (TNIAMP-TNAU) at an estimate of Rs.87.46 crore.
- An initiative programmes of Industrial processing and application of Annato dye, Revitalization of nutrimillet Security, Farm women drudgery mitigating, sylvopasture models, development of stress resilient rice varieties, rhizotron studies, Tissue culture of coconut seedling and skill development in palmyrah industry worth of Rs.27.07 crore were facilitated.
- Pulse production enhancement programme, water soluble Fertilizer production programme, Crop coverage estimation programme, Organic production programme of pepper in Kolli Hills, Farmers participatory demonstration of MGR 100 Rice, Flower processing unit at Kanniyakumari, groundnut seed production programme and restoration of Prosopis cleared land in Ramanathapuram at a cost of Rs. 12.458 crore were done.
- For the projects on Popularization of warm temperate fruits (Pear, Plum, Peaches and kiwi) in Southern Indian hills and Demonstration of production technologies of lesser known fruits – Avacado and litchi in lower Palani hills and Jamun & Manila Tamarind in arid zones of Tamil Nadu, during 2019-2020, the Government have sanctioned Rs. 306.30 lakh.
- Government have sanctioned Rs.4.93 crore during 2018-2019 for the three projects in scaling extraction of bioactive molecules from medicinal plants for exploitation in food and health industry, Accelerated Vermicompost Production through automation and Pelletization of Forage Crops for Enhancing Livestock Productivity.
- In the past three years, 34 new varieties and hybrids at five farms Tamil Nadu Agricultural University has released; (A) fourteen crop varieties and hybrids viz., (1) Rice VGD 1, (2) Rice ADT 53, (3) Samai ATL 1, 4) Greengram VBN 4, (5) Groundnut BSR 2, (6) Castor YTP 1, (7) Kadam MTP 1, (8) Bottle gourd PLR 2 (9) Garlic Ooty 2, (10) Star Jasmine Co 1, (11) Potato Kufri Sahyadri (12) Banana Kaveri Saba (13) Banana Kaveri Kalki (14) Banana Kaveri Suganthan during the year 2018-2019.
- During the year 2017-2018, the following 8 crop varieties were released (1) Rice ADT 51, (2) Cowpea VBN 3,(3) Groundnut TMV 14, (4) Sunflower COH 3 (5) Sugarcane COG 6 (6) Sugarcane CO 06022 (7) Ribbed Gourd COH 1 (8) Malai vembu MTP 2.
- During the year 2016-2017, the following 12 crop varieties were released (1) Rice Co 52, (2) Barn yard millet MDU 1, (3) Redgram Co 8, (4) Blackgram ADT 6, (5) Blackgram KKM 1, (6) Sesamum VRI 3, (7) Castor YRCH 2, (8) Cotton K12, (9) Sugarcane CoC (Sc) 25, (10) Snake gourd CoH 1, (11) Bottle gourd PLR 1 and (12) French Beans Ooty 3.
- In the past three years, five farm implements were released from Tamil Nadu Agricultural

University; Four farm implements viz., (1) Turmeric (2) Turmeric boiler (3) Turmeric dryer and (4) Dust free turmeric polisher during 2018-2019 and Aonla de-seeding machine during 2016-2017.

- Mahindra Samrithi India Agri Award 2019:- The Dean, Horticultural College and Research Institute, Periyakulam received the award on 18th March 2019 at New Delhi on behalf of TNAU.

- TNAU Agritech Protal (http:/agritech.tnau.ac.in): The site furnishes A to Z of agriculture and allied subjects related technical information in Tamil and English for the benefit of farmers and other users.

Seed Certification and Organic Certification

- To ensure availability of certified seeds to the farmers, an area of 1,53,233 Hectares have been registered for Certified seed production and 2,58,677 M.T of various crop seeds have been certified under Certification programme.

- A total number of 1,94,098 inspections were conducted in seed selling points and 1,48,232 seeds samples were drawn for quality check. During the inspections, sub-standard seeds of 3,798 Metric Tonnes were noticed and prevented from being sold to the farmers.

- In 29 Notified Seed Testing Laboratories functioning in the State, Seed Standards were tested for 2,52,001 seed samples and results declared so as to ensure supply of quality seeds to the farmers.

- Training to seed producers, dealers and farmers on latest trends in seed production, seed certification and seed legislations were imparted through the training wing of Department of Seed Certification and Organic Certification. A total number of 1,42,031 persons were trained by the Department.

- The organic certification wing of this Directorate has the unique feature of having the largest number of individual farmers among 28 organic certification bodies in the country. An area of 92,348 acres have been registered under organic certification.

- For strengthening of Seed Certification Department Rs.155.42 lakh Financial Sanction has been accorded in 2016-2017 for construction of conference hall and Infrastructure development.

- To test and ensure the quality of Seeds produced by Government and Private Seed producers, there are 33 notified Seed Testing Laboratories functioning all over the State. To update the standard of Seed Testing laboratories and to issue test results precisely and quickly, a sum of Rs.1 crore was sanctioned during 2017-2018 in which latest seed testing equipments and instruments were purchased.

- The IT wing of the Directorate of Seed Certification and Organic Certification developed an exclusive software SPECS to make Certification process online. This is the first of its kind among Indian Certification Agencies. "The software programme apart from making Certification process online" shall quicken the process of certification activities, link all the activities of the certification Department to bring better monitoring and more transparency in the system. Online certification process shall facilitate farmers/seed producers to

register online and to know the progress through "online".

- ✶ An amount of Rs.84.99 lakh has been sanctioned for Purchase of Desktop Computers, renovation of Seed Testing Laboratories, Seed cost settlement, and strengthening of Grow out test farm and the scheme is completed.
- ✶ During 2018-2019, an amount of Rs.85.81 lakh has been sanctioned for strengthening of Seed Testing Laboratories, DNA Finger print Laboratories, Grow out test farm, Seed Cost settlement and ISTA fee and the scheme is completed.
- ✶ During 2019-2019 an amount of Rs.50 lakh has been sanctioned for Purchase of Laptops to Field level officers for implementation of online certification process through SPECS software and the scheme is completed.
- ✶ An amount of Rs.55 lakh has been sanctioned in 2019-2020, for Purchase of Laptops to Field level officers for implementation of online certification process through SPECS software and is being implemented.
- ✶ A sum of Rs.30.9 lakh has been sanctioned for Renovation of Two Seed Testing Laboratories viz., Madurai and Kancheepuram for taking up quality seed analysis in 2019-2020 and is being implemented.

Tamil Nadu Watershed Development Agency

- ✶ Under Tamil Nadu Watershed Development Agency, a sum of Rs.378.88 crore was released to the District Watershed Development Agencies and the works like Natural Resources Management Component, Farm Production System Activities, Livelihood Support System component and Micro Enterprises and Institution and Capacity Building components were executed under Pradhan Mantri Krishi Sinchayee Yojana Watershed Development (PMKSY-WD), the erstwhile Integrated Watershed Management Programme - IWMP.
- ✶ 3,481 Farm Ponds.
- ✶ 11,372 Check Dams.
- ✶ 2,522 Percolation Tanks.
- ✶ 20,077 other works (New Village Pond, Renovation of Village Pond).
- ✶ Totally, 1,49,427 farmers have been benefitted by Watershed Development Schemes.
- ✶ Pradhan Mantri Krishi Sinchayee Yojana - Other Interventions - Supplementary Water Management Activities (SWMA).
- ✶ 3,684 Shallow tube well/ Medium Bore well have been sunk at a cost of Rs.9.18 crore.
- ✶ 10,001 Diesel Pumpset/ Electric motor Pumpsets have been installed with the financial assistance of Rs.14.71 crore.
- ✶ 7,445 Conveyance pipes have been laid at a cost of Rs.6.59 crore.
- ✶ 2,323 Storage Structures have been constructed with the financial outlay of Rs.8.08 crore.

❖ ❖ ❖

ANIMAL HUSBANDRY

- 32,605 milch cows distributed to 32,605 beneficiaries at a cost of Rs.199.33 crore.
- From the year 2018-2019 onwards the milch cows are being procured not only from Andhra Pradesh and Karanataka States but also from Tamil Nadu with the beneficiary's willingness.
- 3,99,296 beneficiaries were provided with 15,97,184 goats/sheep at 4 goats/sheep to each at a total cost of Rs. 728.75 crore.
- Under Scheme for Poultry Development, 199 Broiler farms and 2,861 native chicken farms were established in 25 Districts at a total cost of Rs.18.75 crore.
- Native Chicken Hatchery unit is being established at District Livestock Farm, Hosur at an total outlay of Rs.674.875 lakh.
- Under the Scheme for Poultry Development, 50 numbers of Aseel birds along with night shelters provided to 77,000 women beneficiaries at a total cost of Rs.50 crore during the year 2018-2019. For the year 2019-2020 a total number of 2.4 lakh beneficiaries is being provided each with 25 nos. of birds totalling 60 lakh nos. of aseel birds at an total outlay of Rs. 5 crore.
- A total number of 14,245 camps were conducted under "Kalnadai Padhukappu Thittam".
- Under NADP 2016-2017, Tamil Nadu Government is providing "Animal Mobile Medical Ambulance (AMMA) for Rural Veterinary Care at a total cost of Rs.18.93 crore. In addition, 22 modern vehicles have been purchased and modified suitably with Air Conditioning facilities as "Animal Mobile Medical Ambulance" emergency veterinary care at farmers doorsteps and to shift the animals which

require institutional care to veterinary institutions.

- ✶ A Toll Free help line No. '1962' is introduced for availing the services of Animal Mobile Medical Ambulance.
- ✶ Under NABARD RIDF XXII 2016-2017 Scheme a sum of Rs.68.14 crore has been sanctioned towards construction of 117 Veterinary Institutions. Out of 117 construction works, 112 buildings have been completed and work is in Progress for 5 buildings.
- ✶ Under NABARD RIDF XXII 2016-2017 Scheme, a sum of Rs.6.88 crore has been sanctioned additionally towards construction of 12 Veterinary Institutions. All the buildings has been completed and functioning.
- ✶ Under RIDF XXIII scheme, a sum of Rs.151.42 lakh has been sanctioned towards construction of Integrated Office building for O/o the Assistant Director and Joint Director in Kancheepuram District. Construction work completed and the office is functioning.
- ✶ Under NABARD RIDF XXIII 2017-2018 Scheme a sum of Rs.49.09 crore has been sanctioned towards construction of 150 veterinary Institutions. Out of 100 construction works, 100 buildings have been completed and the works of remaining 50 buildings are under process.
- ✶ Under NABARD RIDF XXIV 2018-2019 Financial sanction has been accorded for a sum of Rs.57.29 crore towards construction of 142 Veterinary Institutions and the construction work is yet to be started.
- ✶ 13 vacancies in the post of Statistical Inspector were filled up by DR through.
- ✶ 3 Night watchmen, 1 Water carrier and 4 Office Assistants were appointed on compassionate grounds from 16.02.2017 to 01.12.2019.
- ✶ 125 Veterinary Sub centres were upgraded into Veterinary Dispensaries and started functioning.
- ✶ 25 New Veterinary Sub centres have been established and started functioning.
- ✶ 100 New Veterinary Sub-centres have been established and started functioning.
- ✶ 175 new Veterinary Sub Centres were established and started functioning
- ✶ Five Veterinary Dispensaries were upgraded into Veterinary Hospitals and started functioning.
- ✶ Financial sanction for Rs.1.25 crore has been accorded under the scheme for providing 25% subsidy for setting up of 100 Mini Dairy units.
- ✶ Six Veterinary Institutions have been upgraded into Veterinary polyclinics at a cost of Rs.6.24 crore.
- ✶ Jallikattu/Eruthu vidum vizha/Manjuvirattu /Vadamadu events were notified and conducted in 203 villages in 14 Districts during 2017 and in 401 villages in 17 Districts in 2018.
- ✶ Tamil Nadu Animal Welfare Board has been established with Hon'ble Chief Minister as Chairman.
- ✶ Under Foot and Mouth Disease Control Programme Scheme, an amount of Rs.46 crore has been sanctioned, toward vaccination approximately 93.89 lakh cattle population in four rounds of Foot and Mouth Disease vaccination at an internal of 6 months in all the Districts of the State.

- Under Assistance to States for Control of Animal Diseases (ASCAD) Scheme, approximately 111.75 lakh animals were vaccinated against Anthrax, Black Quarter, Haemorrhagic Septicemia and Sheep Pox disease.
- Under State Fodder Development Scheme, with an allocation of Rs.75 crore 28.276 LMT (approximately) of green fodder has been produced in 1,73,570 acres of land benefiting 2,63,567 farmers. In addition, 10 lakh fodder tree seedlings were distributed to 1,32,242 farmers at free of cost. Further, 3,600 numbers of low cost hydroponic units and 10,000 numbers of azola units were established in the State and 1,500 numbers of chaff cutters have been distributed to farmers at 75% subsidy.
- 784 temporary Veterinary Assistant Surgeons have been appointed on contract agreement basis during the year 2019.

TAMIL NADU VETERINARY AND ANIMAL SCIENCES UNIVERSITY

- A new crossbred pig, "TANUVAS KPM Gold" which is highly disease resistant and adaptable to local agro-climatic conditions, developed by TANUVAS was released by the Hon'ble Minister for Animal Husbandry, Government of Tamil Nadu on 03.06.2017.
- Hon'ble Chief Minister of Tamil Nadu announced the establishment of fifth Veterinary College and Research Institute (VC&RI) of the State in Salem District at Thalaivasal Koot Road, in the site proposed for establishment of "Advanced Institute for Integrated Research in Livestock and Animal Sciences". Accordingly, the Government have sanctioned Rs.82.13 crore for the establishment of VC&RI, Salem.
- Animal Feed Analytical and Quality Assurance Laboratory (AFAQAL), Namakkal, Pharmacovigilance Laboratory for Feed and Food Safety (PLAFFS), Chennai and Translational Research Platform for Veterinary Biologicals (TRPVB) were accredited by NABL for chemical testing in Animal feed and Agricultural products in accordance with ISO/IEC 17025:2005 for a period of two years from the year 2017.
- Established two research stations for the conservation of two indigenous cattle breeds namely Kangayam and Pulikulam at Sathyamangalam and Manamadurai respectively.
- Pulikulam station was inaugurated on 21.11.2019 by the Hon'ble Minister for Animal Husbandry Thiru. Udumalai K. Radhakrishnan and Thiru. G. Baskaran Hon'ble Minister for Khadi and Village Industries Board.
- Kangayam station was inaugurated on 25.11.2019 by the Hon'ble Minister for Animal Husbandry Thiru. Udumalai K. Radhakrishnan, Hon'ble Minister for School Education, Youth Welfare and Sports Development Thiru. K.A. Sengottaiyan and Hon'ble Minister for Environment Thiru. K.C. Karuppanan.

Dairying and Fisheries, Ministry of Agriculture and Farmers Welfare, Government of India on 01.06.2018. The award includes a cash award of Rs.5,00,000 and a certificate of merit.

- The Rabies Diagnostic Laboratory of the Department of Animal Biotechnology has been accredited by the National Accreditation Board for Testing and Calibration Laboratories (NABL) and International Laboratory Accreditation Co-operation Mutual Recognition Arrangement (ILAC MRA) in accordance with the standard ISO/IEC 17025:2005 for its facilities in the field of biological testing for the period from 11.09.2018 to 10.09.2020.
- TANUVAS bagged the Postgraduate Award instituted by ICAR for securing 16 PG scholarships, the highest in Veterinary and Fisheries Sciences category during the AICEA-PG 2018 online counseling.
- Hon'ble Chief Minister of Tamil Nadu inaugurated the Multi Slice Spiral Computed Tomography (CT Scan) facility at Teaching Veterinary Hospital, Madras Veterinary College, Chennai and Veterinary Clinical Complex, Veterinary College and Research Institute, Namakkal on 19.02.2019 through video conferencing.
- Bio-Safety Level - III (BSL - III) Laboratory established with a budget outlay of Rs.1,275 lakh at Madhavaram Milk Colony with the financial assistance from Government of Tamil Nadu under Tamil Nadu Innovation Initiative (TANII) was declared open by the Hon'ble Chief Minister of Tamil Nadu on 03.03.2019 through video conferencing.

Bio-Safety Level - III (BSL - III) – Inauguration

- The Government of India and Veterinary Council of India has granted VCI recognition to offer B.V.Sc & AH courses to Veterinary College and Research Institutes at Orathanadu and Tirunelveli vide Gazette notification G.S.R./1296(E) dated 08.03.2019

- The Government of Tamil Nadu has sanctioned a Project on "Establishment of Alambadi Cattle Breed Research Centre at Pennagaram in Dharmapuri District" for a sum of Rs.4 crore under the State fund to conserve Alambadi breed of cattle. Hon'ble Minister for Higher Education, Thiru. K.P.Anbalagan and Hon'ble Minister for Animal Husbandry, Thiru. Udumalai K.Radhakrishnan participated in the Bhoomi puja function and laid down the foundation stone on 28.11.2019.
- An announcement was made by the Hon'ble Minister for Animal Husbandry during budget speech on "Establishment of centre for developing low cost and user friendly hydroponic fodder production units for supplying to rural poor farmers in drought prone Districts at a cost of Rs.74.48 lakh.
- An announcement was made by the Hon'ble Minister for Animal Husbandry during budget speech on "Establishment of centre for monitoring, surveillance and control of livestock and poultry diseases at Madhavaram, Chennai", to the tune of Rs.306 lakh.
- The Government of India has sanctioned two schemes entitled "Establishment of Livestock and Poultry Feed Technology Centre" and "Establishment of Rural Poultry inputs and skill development centre" with a total budget outlay of Rs.301.10 lakh to improve the livelihood of the rural sector under National Agriculture Development Programme (NADP) / Rashtriya Krishi Vikas Yojana (RKVY) for the year 2018-2019.
- TANUVAS has obtained a grant of Rs.28 crore from ICAR, New Delhi under its flagship National Agricultural Higher Education Programme (NAHEP) funded by the World Bank for the project on Institutional Development Plan of TANUVAS to improve infrastructure and human resource under competitive mode.
- An announcement under Rule 110 on "Creation of additional building infrastructure at Veterinary College and Research Institute, Tirunelveli & Veterinary College and Research Institute, Orathanadu" each with a budget of Rs. 14 crore (Total outlay of Rs. 28 crore) was made on the Floor of the Assembly by the Hon'ble Chief Minister of Tamil Nadu.

The following five patents were obtained by the TANUVAS

- "Development of primers for detection of hepatopancreatic parvovirus (HPV) in shrimp by Polymerase chain reaction (PCR)" for a term of 20 years from 23.01.2006 (Patent No. 300445). Patent has been granted on 29.08.2018
- "An Improved Egg Candler" (1939/CHE/2010, Dt. 08.07.2010) for a term of 20 years from 08.07.2010 (Patent No. 305814) - Patent has been granted on 17.01.2019
- "An Improved Bird cage" (1937/CHE/2010 Dt. 08.07.2010) for a term of 20 years from 08.07.2010 (Patent No. 316308) - Patent has been granted on 18.07.2019
- "RYZ-Cream Composition and Process for Preparation thereof for a term of 20 years from 06.09.2012 (Patent No. 319676) – Patent has been granted 02.09.2019

The following MoUs have been signed by TANUVAS with :

- Chittagong Veterinary and Animal Sciences University, Chittagong, Bangladesh to

develop academic and educational co-operation and research collaboration on 08.04.2017;

- ✶ Washington State University, Washington, USA to develop academic and educational co-operation and research collaboration on 15.11.2017; and
- ✶ Oklahoma State University, Stillwater, USA to develop academic and educational co-operation and research collaboration on 15.11.2017.
- ✶ Agriculture Skill Council of India, Haryana to conduct collaborative activities to establish and promote a mutually beneficial relationship in the area of skill development training programmes as per National Skill Qualification Framework of Government of India.
- ✶ BAIF Development Research Foundation, Pune to develop joint research programmes with a focus on animal breeding, genomics, nutrition and health and also validate and adopt the technologies developed both by TANUVAS and BAIF in their research and development programmes. This MoU shall be effective for a period of five years.

Technologies/products developed viz.

- ✶ Nano-IVMEC
- ✶ "A1A2 Detect"
- ✶ CPV and Rabies antibody detection kit for the detection of Rabies and CPV antibodies simultaneously in dogs
- ✶ Low Cost Somatic Cell Counting Technique for Udder Health Care
- ✶ Low Cost Mobile Cow Lifter & Downer Mobility Cart
- ✶ Farm Gate Test for Early Mastitis Detection
- ✶ CPV-2b parvo vaccine and CPV-VLP Parvo Vaccine
- ✶ Livestock Disease Forecasting Software
- ✶ ECG markers for early detection of bovine hypocalcemia
- ✶ Technology on Development of Vitamin D fortified Ice cream
- ✶ Millet ice cream

FISHERIES DEPARTMENT

Marine Fisheries

- The Government has enhanced the fishing ban period relief assistance from Rs.2,000 to Rs.5,000 to each marine fisherman family for 3 years, a sum of Rs.239.84 crore being relief assistance was disbursed to 4,79,674 fishermen families of 13 coastal Districts.

Also, a team of officials and fishermen crew have been sent to Srilanka to salvage the eligible 47 boats out of 167 released fishing boats of TN fishermen. Out of 47 salvageable boats, 36 boats were salvaged and repatriated to Tamil Nadu. Remaining 11 boats are to be repatriated along with newly released Tamil Nadu boats from Sri Lanka.

- 744 fishermen from Sri Lanka Jail, 93 fishermen from Iran Jail, 11 fishermen form Abu Dhabi jail, 10 fishermen from Oman Jail and 28 fishermen from Qatar jail have been released and repatriated to Tamil Nadu.

- Government have issued orders enhancing the quantity of Supply of Sales Tax exempted high speed diesel oil from 15,000 litres to 18,000 litres per year per boat for mechanized boat and from 3,600 litres to 4,000 litres per year per boat for motorized traditional crafts from the year 2017-2018. Government has also issued orders enhancing the quantity of subsidized Industrial kerosenes, (25 litres) supplied to the Traditional crafts from 3000 litres to 3,400 litres per year / per motorized traditional crafts.

- Under National Agriculture Development Programme for the year 2017-2018 an amount of Rs.25 lakh was released to 100 fishermen towards procurement of Squid jigging materials.

- For the year 2017-2018, under CSS-Blue Revolution subsidy assistance of Rs.2.125 crore was extended to 100 Traditional/Artisanal fishermen for procurement of Fiber glass Reinforced Plastic (FRP) vallams up to 10m Overall Length as a replacement for traditional/ wooden boats and procurement of nets and insulated fish holding boxes. For 2019-2020 a sum of Rs.1.73 crore was allocated towards subsidy assistance to 100 traditional /artisanal fishermen.

- For the year 2018-2019, under NADP 40% subsidy assistance subject to a maximum of Rs.48,000 at a unit cost of Rs.1.20 lakh was provided to traditional craft owners for procurement of OBM/IBE. A sum of Rs.2 crore was disbursed towards extending subsidy assistance for procurement of 423 nos. of OBM/IBE. For the year 2019-2020, under CSS-Blue Revolution a sum of Rs.11.15 crore was allocated towards extending subsidy assistance for procurement of OBM/IBE.

- For procurement of insulated ice boxes, for the year 2018-2019 subsidy assistance of Rs.35.35 lakh was extended to 923 traditional fishermen and for 2019-2020 sum of Rs.31.20 lakh was allocated towards extending subsidy assistance.

- In order to reduce the fishing pressure in the inshore area and to optimally utilize

the deep sea fishery resources, Government had introduced a new scheme to provide 50% subsidy and up to a maximum of Rs.30 lakh at a unit cost of Rs.60 lakh for the construction Tuna long Liner cum gill netter boats.

- An amount of Rs.16.50 crore has been released as subsidy to the beneficiary groups/ individual fishermen and construction of 51 boats completed and others are under various stages of construction.
- To overcome the issue of Tamil Nadu fishermen being often arrested while fishing in their traditional waters by the Sri Lankan Navy, Government has introduced a new scheme to provide 70% subsidy and upto maximum of Rs.56 lakh at a unit cost of Rs.80 lakh towards Diversification of 2,000 nos. of trawl fishing boats from Palk Bay into Deep Sea fishing boats in a phased manner with funding assistance from the Government of India and Government of Tamil Nadu.
- For the year 2017-2018, Government has sanctioned a sum of Rs.286 crore (Government of India - Rs.200 crore and State Government - Rs.86 crore) being subsidy assistance to fishermen for construction of 500 Tuna long liner cum gill netter towards diversifying trawl fishing boats into deep sea fishing. Decision to enrol for replacement (DER) was issued to 426 beneficiaries. At present, 82 beneficiaries have signed Tripartite agreement (Boat building yard, beneficiary and Department of Fisheries), and Construction of 10 boats was completed and handed over to beneficiaries. Construction of 41 boats are under progress.
- For the year 2017-2018 an amount of Rs.5.50 lakh has been released as educational assistance to 17 fisher youth to take up Maritime Education and for the year 2018-2019 an amount of Rs.10.50 lakh has been released to 45 fisher youths.
- To provide special training to Fisher youth to join them in the Indian Navy and Coast Guard Government had released Rs.1.04 crore. Fisher youths are selected for the training programme and training was given to 145 fisher youths of Chennai, Thoothukudi, Nagercoil, Cuddalore and Ramnad District.
- With the collaboration of Anna Institute of Management, special coaching is given to 20 fisher youth to join in the Indian Civil Services. The training expenditure is met from the CSR fund of the Tamil Nadu Fisheries Development Corporation (TNFDC). For year 2017-2018, 20 fisher youth were trained and 20 fisher youth received training during 2018-2019. For the year 2019-2020, 20 students were selected and 11 students joined and the training is under progress.

INLAND FISHERIES

- For the year 2017-2018, Government fish seed farms have produced 3,685.75 lakh early fry and 576.115 lakh fingerlings.
- For the year 2018-2019, 5,207.62 lakh early fry and 705.16 lakh fingerlings have been produced.
- For the year 2019-20, 4,881.75 lakh early fry and 572.58 lakh fingerlings have been produced.
- As announced by the Hon'ble Minister for Fisheries, during the year 2017-2018,

50% subsidy assistance was provided for the creation of 200 nos. of multi-purpose farm ponds in total extent of 50 ha. area and input subsidy has been released.

- As announced by the Hon'ble Minister for Fisheries, during the year 2017-2018, 1,200 nos. of fishing nets and 500 FRP coracles have been provided to inland fishermen with 50 % subsidy assistance.
- For the year 2016-2017, for the biological control of aquatic weeds, 28.30 lakh Grass carp fish seeds have been stocked in 5,648 ha area of fresh water bodies.
- For the year 2016-2017, under the project on Expansion of fish culture area by encouraging Fish Farmers of Tamil Nadu, 58 beneficiaries have created an additional fish culture area of 24.76 ha.
- For the year 2016-2017, Ten floating marine cages for Cobia and Lobster Culture at Sippikulam and Keelavaipar coastal villages of Thoothukudi District have been installed at a cost of Rs.53.63 lakh, where in fish seeds and lobster seeds have been stocked and culture is in progress.
- For the year 2016-2017, Intensive Fish Seed Rearing with aeration and water quality maintenance with Probiotics, necessary instruments have been installed in Lalpettai, Government Fish seed farm at a cost of Rs.5.48 lakh to enhance the fingerling production and is successful in increasing the seed production.
- During the year 2017-2018, in order to develop the fish farms, scheme on 'Improvement of Infrastructure Facilities in Krishnagiri and Mettur Fish Farms were sanctioned at a cost of Rs.368.50 lakh and these improvement works were completed.
- During the year 2018-2019, Government accorded administrative sanction of Rs.2 crore for repair and renovation works of Government fish seed farms at Bhavanisagar and Athur and the works are completed.
- For the year 2019-2020, the Government had sanctioned a sum of Rs.45 lakh for intensive fishing seed rearing in Bhavanisagar, Mettur and Krishnagiri Government fish farms.
- For the year 2019-2020, the Government had sanctioned a sum of Rs.1 crore for providing subsidy assistance for purchase of fishing implements.
- The Government has accorded sanction of Rs.55 lakh for the year 2019-2020 for additional water facilities to do intensive fish seed rearing in Thattamanaipathi fish seed farm situated at Pudukkottai District and Chinnar fish seed farm situated at Dharmapuri District.
- For the year 2018-2019, Resource mapping of Brackishwater Aquaculture areas in Tamil Nadu at a cost of Rs.50 lakh has been undertaken with the objective to identify suitable land for undertaking coastal Aquaculture in the fallow lands has been undertaken in 6 Districts viz., Cuddalore, Villupuram, Thanjavur, Tiruvarur, Pudukkottai, and Thoothukudi.
- For the year 2016-2017,Government has released Rs.9.925 crore for Construction / Renovation of Fresh water / Brackish water fish farms
- For the year 2016-2017, subsidy has been released to 73 beneficiaries for construction of new fish culture pond covering a total area of 61.480 ha. and 10 beneficiaries for renovation of fish culture ponds in 11.75 ha

and input subsidy for fishes rearing for a total area of 73.23 ha. Further four units of solar power support system for aquaculture have been established under this scheme.

- During the year 2016-2017 for the Development of Brackishwater Aquaculture in the State 32.36 ha. new farming area has been created at a cost of Rs.1.4 crore. In order to sustain the existing farming area -53.10 ha was renovated at a cost of Rs.1.05 crore by beneficiaries. Input subsidy for a total area of 85.46 ha. has been provided for an amount of Rs.1.21 crore.
- For the year 2017-2018 for the Development of Brackishwater Aquaculture in the State 58.99 ha. existing farms has been renovated. From the first instalment amount of Rs 40 lakh, 25.10 lakh has been utilised for renovation of 17.90 ha. and Rs 14.90 lakh for providing input subsidy to 12.40 ha.
- For the year 2017-2018, administrative sanction has accorded for an amount of 1.25 crore for the establishment of 5 carp hatcheries. Out of which Rs.31.25 lakh has been released to the beneficiaries.

INFRASTRUCTURE FACILITIES

- With loan assistance from NABARD, Improvement of Fish seed farms at 6 locations and fish landing centres at 7 places has been done with a financial outlay of Rs.33.42 crore.
- Hon’ble Chief Minister of Tamil Nadu laid foundation stone for works on establishing fishing harbour at Mookaiyur in Ramanathapuram on 06.03.2017 at an estimate of Rs.113.90 crore. A sum of Rs.99.66 crore was released by the Government towards this project. Works were completed and inaugurated by the Hon’ble Chief Minister of Tamil Nadu on 04.03.2019.
- Construction of 9 Fish Landing Centre with Loan assistance from NABARD under RIDF XXIII for as sum of Rs.29.50 crore has been obtained and work completed.
- Construction of land side facilities like auction hall and net mending shed at Ariyanattutheru in Nagapattinam District at a cost of Rs.1.62 crore under NADP for 2017-2018.
- Construction of Fish landing centre at Kundhukal in Ramanthanpuram District at a cost of Rs.70 crore. Work is in progress. Construction of fish landing centre at Kurumpanai in Kanniyakumari District at a cost of Rs.11 crore and stabilizing of groynes at Kadiyapattinam in Kanniyakumari District at a cost of Rs.4 crore under RIDF XXIII are completed.
- Government sanctioned a sum of Rs.20 crore for State fund towards Restoration works in fishing harbour and fish landing centres of Kanniyakumari District which are damaged due to Ockhi cyclone and the works were completed except at Keelakadiyapattinam.

Tamil Nadu Irrigated Agriculure Modernization project (TNLAMP)

- Under World Bank funded TN – LAMP Project, the Government has sanctioned a sum of Rs.15.52 crore for which Rs.10.06 crore was incurred for implementing the fisheries activities in Phase I in 18 sub-basins during the year 2018-2019.
- For the year 2019-2020, the Government has sanctioned a sum of Rs.14.25 crore for implementation of fisheries activities in Phase-I and Phase-II sub-basins.

Fisheries Management for Sustainable Livelihood– II (FIMSUL-II)

- Less than 8 HP out board engines were provided at 50% subsidy (maximum of Rs.30,000) to 528 country crafts of Tiruvallur, Kancheepuram, Villupuram, Cuddalore, Pudukkottai, Thoothukudi, Ramanathapuram and Kanniyakumari Districts.
- Under seamless communication system, 17,539 No VHF sets consisting 15,004 No. of 5 watt hand held VHF sets to motorized fishing crafts at 100% subsidy and 2,535 Nos. of 25 watt boat mounted VHF sets to mechanized fishing crafts at 75% subsidy have been provided to the registered fishing boats of Tamil Nadu to ensure safety of marine fishermen at sea at a cost of Rs.60.40 crore. Under this scheme it has been proposed to construct 7 new communication towers (100 Metre) through BSNL and so for 7 towers have been completed. Further 8 towers have been taken on lease basis. 15 towers and 14 control rooms have been completed and installed with shore equipments for communication and put into use by the fishermen. A central control room has been established at the Directorate of Fisheries, Chennai. The fishermen are provided with training to operate the VHF sets and also VHF manual has been provided to fishermen. Weather warning messages and fishing related information are now being transmitted by the Fisheries Department through the control room, established. The marine fishermen of Tamil Nadu are effectively utilising the wireless communication networking facilities provided by the Government of Tamil Nadu.

Tamil Nadu State Apex Fisheries Co-operative Federation Limited (TAFCOFED)

- Training programme on "Elements of Seamanship of Navigation, marine Electronic equipments, operation and maintenance of Engine" was given to 412 deep sea going fishermen at a cost of Rs.10.23 lakh with NFDB financial assistance.
- Training programme on "Value added fish products" was given to 2,227 fisherwomen belong to fisherwomen Co-operative societies in 10 coastal Districts at a cost of Rs.26 lakh.
- Construction of 5 Modern Fish stalls in 5 towns of Tamil Nadu under NADP at a total cost of Rs.50 lakh and the work was completed at Paramakudi, Madurai, Neyveli and Nagercoil and functioning.
- In order to supply Sales tax exempted diesel to fishermen, a new diesel bunk was established at Cuddalore Fishing harbour, on 27.03.2017
- TAFCOFED had supplied 14,586 KL Sales tax exempted diesel for the year 2018-2019 to the fishermen.
- TAFCOFED had supplied 3,744 KL subsidised Sales tax exempted industrial Kerosene to the traditional motorised fishing crafts for the year 2018-2019.
- To upgrade the fishing efficiency of Inland Fishermen of Tamil Nadu, 500 FRP Coracles with 50% subsidy at a total cost of Rs.62.50 lakh has supplied to the inland fishermen.
- During the year 2017-2018, a Retail Outlet for selling diesel and Petrol at Vaniyanchavadi, Old Mahabalipuram Road

(OMR) Chennai at a cost of Rs.80 lakh has been established and in operation.

- During the year 2017-2018, a modern Fish Food Restaurant at a cost of Rs.2.06 crore was established at Vaniyanchavadi in Chengalpet District with the financial assistance from NADP and federation funds.
- In order to transport subsidized industrial kerosene to fishing villages, during the year 2017-2018, one kerosene transport tanker Lorry at Kanniyakumari District a cost of Rs.18 lakh under Integrated Co-operative Development Project (ICDP)
- At Tiruvallur District, Under Integrated Co-operative Development Project a fish procurement shed has established at a cost of Rs.10.80 lakh.
- During 2018-2019, under NADP 1,000 no. of ice boxes has been supplied to traditional/Artisanal fisherman at 50% subsidy at a total cost of Rs.70.50 lakh.
- TAFCOFED has supplied OBM/IBM to 419 traditional / artisanal fishermen under National Agriculture Development Programme (NADP) at 40% subsidy at a total cost of Rs.337.63 lakh during 2018-2019.
- Under the Integrated Co-operative Development Project, TAFCOFED has implemented the Micro credit finance scheme to marine fisherwomen to carryout fish marketing. In this scheme, 13 Joint Liability Group members of Punnakayal Fisherwomen Co-operative Society in Tuticorin District were formed. An amount of Rs.15,000 per member and a total amount of Rs.75,000 per group totalling to Rs.9.75 lakh has been disbursed. Likewise, 5 Joint liability Group members of Pazhaverkadu, Tiruvallur District has formed and an amount of Rs.3.5 lakh has been disbursed.

TAMIL NADU FISHERIES DEVELOPMENT CORPORATION LIMITED (TNFDC)

- In the reservoirs under the control of TNFDC 1,142.16 tonnes of fishes were caught and the value of the fish catch is Rs.856.85 lakh.
- In the fish farms under the control of TNFDC Ltd., 94.92 lakh of early fry and 73.65 lakh of advanced fingerlings were produced.
- Through the fish marketing, TNFDC sold out 1,224.690 tonnes of fishes, and income earned to a tune of Rs.3,268.46 lakh.
- TNFDC supplied 1,33,882.660 KL of Sales Tax exempted high speed diesel to the mechanized boats and motorized country crafts and earned a profit of Rs.2,164.99 lakh.
- TNFDC had supplied 15,177.330 KL of sales tax exempted subsidized Kerosene to the traditional fishing crafts fitted with Kerosene driven engines in Kanniyakumari District.
- TNFDC had supplied 578.99 KL of petrol to fishermen through Therespuram (Thoothukudi District) Petroleum Bunk.
- TNFDC had also contributed a sum of Rs.21.90 lakh for various fisheries welfare schemes under CSR funds upto November 2019.
- TNFDC had took charge on the Operation and Maintenance of Chetpet, ‘Eco Park’ with effect from 27.02.2016 from the Department of Fisheries. Up to November 2019, 7.52 lakh visitors had visited the

park for angling and relaxation. Based on the over whelming response from general Public, "Ornamental fish aquarium-cum -a virtual reality centre" in the Eco park campus has been established at a cost of Rs.6.82 crore, and put into use with effect from March 2019.

- Introduction of online and SMS marketing services for sale of Sea Food Products by TNFDC in Chennai is functioning from 25.05.2017.
- A modern fish stall at Virugambakkam, Chennai and at Madurai has been establishment and functioning from July 2019.
- The sea food restaurant at Teynampet has been modernized at cost of Rs.30 lakh.
- Six mobile fish marketing vehicle have been introduced at Chennai at cost of Rs.45.92 lakh.

Under NADP scheme,

- 2 Nos. of Modern Mobile Sea Food Restaurant at a cost of Rs.57.50 lakh in Chennai and Mamallapuram have been inaugurated on 21.11.2017 and the mobile restaurants are functioning at Chennai Marina Beach and Neelankarai.
- Establishment of Predator fencing at Aliyar fish farm by TNFDC Ltd., at a cost of Rs.77.25 lakh has been completed.
- A Centralized Kitchen for "Production of Ready to Cook and Ready to Eat Sea Food Products with a Training Centre facility for SHG at Royapuram, Chennai at a cost of Rs.3.04 crore has been established and functioning with effect from 04.03.2019.
- Repair and Renovation of Sathanur fish farm at a cost of Rs.2.40 crore has been completed and in use.

Tamil Nadu Fishermen Welfare Board

- During the financial year 2017-2018, 4,274 claims have been settled and Relief / Assistance of Rs.2,80,60,900 under various schemes have been disbursed.
- During the financial year 2018-2019, 4,316 claims have been settled and Relief / Assistance of Rs.3,08,73,050 under various schemes have been disbursed.
- During the financial year 2019-2020, 1,945 claims have been settled and Relief / Assistance of Rs.2,23,40,400 under various schemes have been disbursed.

TAMIL NADU Dr. J JAYALALITHAA FISHERIES UNIVERSITY

FIRST YEAR (2017-2018) :

- Tamil Nadu Fisheries University has been accredited with FIRST RANK among the Fisheries Universities in India by ICAR, New Delhi (2016-2017).
- Indian Council of Agricultural Research, New Delhi grants the accreditation to the programmes/colleges of the Tamil Nadu Fisheries University for a period of five years (2016-2021)
- Tamil Nadu Fisheries University, Nagapattinam has been accredited with 12B Status by the UGC, New Delhi.
- Third Fisheries College and Research Institute has been established at Thalainayeru with the budget of 68.1678 crore, for which the foundation stone was laid by the Hon'ble Chief Minister through video conferencing on 08.11.2017.
- Institute of Post Graduate Studies (IPGS) was established at OMR, Vaniyanchavadi, Chennai with the budget of Rs.1.06 crore.

- ✶ Two new Doctoral courses viz., Fisheries Engineering & Technology at Thoothukudi campus and Fish Biotechnology at OMR campus were introduced in the academic year 2017-2018.
- ✶ "Aquatic Rainbow Technology Park (ARTP)", at Madhavaram Milk Colony has been established with TANII funding of 10.30 crore and the same was inaugurated by the Hon'ble Chief Minister of Tamil Nadu on 08.11.2017 through video conferencing.
- ✶ Conducted Third Convocation of Tamil Nadu Fisheries University on 01.07.2017 at Rajbhavan, Chennai.
- ✶ Tamil Nadu Fisheries University, Nagapattinam has been changed as "Tamil Nadu Dr. J Jayalalithaa Fisheries University, Nagapattinam", the Fisheries College and Research Institute, Thalainayeru has been renamed as "Dr. M.G.R. Fisheries College and Research Institute, Thalainayeru" and the Fisheries College and Research Institute, Ponneri has been renamed as "Dr. M.G.R. Fisheries College and Research Institute, Ponneri".
- ✶ A total of 146 seats in B.F.Sc., 23 seats in B.E. (Fisheries Engineering), 37 seats in M.F.Sc., 13 seats in Ph.D. and 22 seats in B.Tech. (Biotechnology) were admitted during the academic year 2017-2018.
- ✶ A total of eight seats (seven seats for B.F.Sc, course and one seat for B.E (Fisheries Engineering) have been allotted exclusively for the wards of the Fishermen of Tamil Nadu under a special category for fishermen (5% seats over and above the sanctioned intake strength) based on the announcement made by Hon'ble Chief Minister of Tamil Nadu.
- ✶ Mobilized Research and Development grant to the tune of Rs.17.58 crore from various Central and State Government funding agencies such as Department of Biotechnology, New Delhi; National Agriculture Development Programme, New Delhi; Tamil Nadu Innovative and Initiative and Department of Environment, Tamil Nadu.
- ✶ Academic cum Administrative Block and Girls hostel (UG Block) constructed at a cost Rs.730 lakh under NABARD funding

support and New Boys Hostel (PG Block) constructed at a cost of Rs.100 lakh under ICAR funding support were inaugurated by the Hon'ble Chief Minister of Tamil Nadu on 22.11.2017 at Thoothukudi campus.

- Two new Technical Directorates namely Directorate of Aquaculture Technology, Training and Incubation Centre (Head Quarters– Muttukadu) and Directorate of Fisheries Technology, Training and Incubation Centre (Head Quarters - Mandapam) have been created to help farmers in acquiring business, augment fish production through aquaculture and fisheries sectors respectively.

SECOND YEAR (2018-2019) :

- College of Fish Nutrition and Food Technology, Madhavaram, Chennai was established to offer four year B.Tech. (Food Technology) programme on Self Finance mode and inaugurated by Hon'ble Minister for Fisheries on 17.09.2018.
- Construction of New Administrative building at Nagapattinam at a cost of Rs.12 crore, Water Quality Laboratory and Testing Hall at Thanjavur at a cost of Rs.60 lakh and Fish Farmers hostel at Madhavaram at a cost of Rs.6 crore were completed and inaugurated by Hon'ble Chief Minister on 20.06.2018 through video conferencing.
- New courses viz. one year diploma course in Industrial Aquaculture Technology in the Institute of Paraprofessional Aquaculture Technology at Muttukadu on self finance mode, three year B.Voc. degree programme in the Paraprofessional Institute of Fisheries Technology at Royapuram, Chennai (UGC, New Delhi sponsored) and M.F.Sc. (Fish Nutrition and Feed Technology) in IFPGS, Chennai were started from the academic year 2018-2019.
- Conducted 4th Convocation at Institute of Fisheries Post Graduate Studies, Vaniyanchavadi, OMR, Chennai on 01.03.2018.
- A total of 165 seats in B.F.Sc., 34 seats in B.E. (Fisheries Engineering), 52 seats in M.F.Sc., 20 seats in Ph.D. (Fisheries Science), 40 seats in B.Tech. (Biotechnology), 40 seats in B.Tech. (Food Technology), 27 seats in B.Voc. (Industrial Fish Processing Technology), 6 seats in Ph.D. (Life Science), 4 seats in M.B.A. (Fisheries Business Management) and 13 seats in Diploma course (Industrial Aquaculture Technology) were admitted during the academic year 2017-2018.
- KVK, Sikkal, Nagapattinam District transferred from Tamil Nadu Agricultural University to Tamil Nadu Dr. J Jayalalithaa Fisheries University from 01.04.2018.
- A new NADP project entitled "Creating a Platform "Kayalagam" – The Future Store for amplification of marketing of diversified fish products in Tamil Nadu" with a budget of Rs.2.5 crore has been implemented.
- Establishment of State Referral Laboratory for Fish Feed Testing and Quality Certification at IFPGS, Vaniyanchavadi, Chennai at a cost of Rs.250 lakh has been implemented.
- NADP sponsored scheme on "Establishment of 'Recirculatory Seabass Aquaculture for doubling the income with Low water Budgeting" with the budget of Rs.350 lakh for disseminating the technology to the fishermen has been implemented.

- Implemented a scheme on "Open Sea Cage culture of finfishes along the coast of Ramanathapuram District, Tamil Nadu" with the budget of Rs.267.23 lakh funded by National Fisheries Development Board, Hyderabad.
- Tamil Nadu Dr.J Jayalalithaa Fisheries University signed Memorandum of Understanding with 10 International and National Institutes / industries for mutual research collaborations both staff and students of this University.

THIRD YEAR (2019-2020) :

- The University has been well recognized in fisheries education both at National and International levels and it is ranked First among the State Agricultural Universities in Tamil Nadu and 25th in India in the ICAR ranking of 2019.
- The University also obtained ICAR accreditation, 12B status by the UGC, Government of India. In addition it also obtained the AICTE accreditation for the College of Fisheries Engineering.
- College of Energy and Environmental Engineering, Nagapattinam was established to offer a four year B.Tech. (Energy and Environmental Engineering) programme.
- College of Fisheries Nautical Technology, Thoothukudi was established to offer a four year B.Tech. (Fisheries Nautical Technology) programme.
- A four year degree programme in B.B.A. (Fisheries Business Management) at TNJFU Fisheries Business School, Vaniyanchavadi, Chennai.
- A three year degree programme in B.Voc. (Industrial Aquaculture) at Paraprofessional Institute of Aquaculture Technology, Muttukadu, Chennai.
- A three year degree programme in B.Voc. (Industrial Fishing Technology) at Paraprofessional Institute of Fishing Technology at Mandapam, Ramanathapuram.
- A three year degree programme in B.Voc. (Aquatic Animal Health Management) at State Referral Laboratory for Aquatic Animal Health, Madhavaram, Chennai.
- Started new postgraduate courses of M.Tech. (Aquaculture Engineering) and M.Tech. (Fish Processing Engineering) at College of Fisheries Engineering, Nagapattinam.
- Started a new doctoral course of Ph.D. (Fish Pharmacology and Toxicology) at Institute of Fisheries Postgraduate Studies, Vaniyanchavadi, Chennai.
- TNJFU's greatest achievement since becoming a university has been its ability to attract talented and dedicated researchers and teachers from Tamil Nadu, from other states of India, and from some of the best universities and institutes of Iran, Bhutan, Tanzania and other countries of the world.
- Fourteen of our University students topped in the All India PG Entrance Examination conducted by ICAR and a graduate of our University bagged the 'Best Fisheries Graduate of the Year' award from the Professional Fisheries Graduate Forum (PFGF).
- UG students to have Overseas internship programme, in this connection six students who topped in their University examinations were sent to Malaysia last year for a month stay to visit fisheries

institutes, fish farms, hatcheries, fish products processing factories, fish markets and fisheries educational institutes.

- TNJFU continues to receive International recognition in the field of Aquaculture and this university hosted a mega International Conference cum Trade show on Asian Pacific Aquaculture-2019 (APA'19) on the theme "Aquaculture for Health, Wealth and Happiness" which was organized joining with the World Aquaculture Society-Asian Pacific Chapter. The participants from more than 70 countries represented this International Conference and 3,500 people flocked to attend this conference. Hon'ble Chancellor participated and inaugurated the event.

DAIRY DEVELOPMENT

- India has largest Milch cows population in the world. Tamil Nadu has become one among the top milk producing States.
- In Tamil Nadu, the dairy Co-operatives are functioning in 3 tier system wherein, 12,585 primary milk producers' Co-operative societies at village level, 17 District Co-operative Milk Producers' Unions at District level and 1 Federation (Tamil Nadu Co-operative Milk Producers' Federation Aavin) at State level are functioning. While so, now in addition to that, 8 District Co-operative Milk Producers' Unions have been formed at Tiruppur, Namakkal, Thoothukudi, Tiruvannamalai, Theni, Karur, Dharmapuri and Cuddalore..
- It is proposed to increase the milk production many fold by creating Second White Revolution, a foresighted project of the Hon'ble Chief Minister of Tamil Nadu. Milk producers are the backbones of the Dairy sector. By supplying inputs, supplying cattle feed and providing reasonable price to the milk procured, the Government is assisting milk producers thereby helping to increase the milk production.

Achievement in Milk Procurement

- The average milk procurement has increased from 33.23 LLPD in 2018-2019 to 33.98 LLPD in 2019-2020 till November. On 29.10.2018, the milk procurement by aavin has attained a historical level of 37.03 LLPD. By this, it can be ensured that there is an increase of revenue to the milk producers and also ensured that the quality milk and milk products are reaching the consumers at a reasonable price.

Achievement in Milk Sales

- The average milk sales has been increased to 22.62 LLPD during Novomber 2019 from 21.02 LLPD during February 2017.
- Aavin has on 08.03.2018 achieved a new high target of 12.63 LLPD in milk sales in Chennai. At the same time the District Co-operative Milk Producers' Unions have also made the highest level of milk sales of 11.09 LLPD on July'2019. As per the announcement made in the floor of Assembly by the Hon'ble Minister for Milk and Dairy Development during 2017-2018 on 08.09.2017, 225 ml. aavin milk sachets at Rs. 10 were introduced. 6 varieties of cookies and Premium curd at Rs.5 are introduced on 24.10.2019.

Milk Product Sales

- During February 17 Aavin by products were sold to the tune of Rs.20.43 crore. The same has been increased to the historical level of Rs. 24.44 crore in November 2017 which is an increase of nearly 20%. In 2019-2020 Aavin products were sold for Rs.186 crore

During the period from February 2017 to November 2019, 24,514.906 MTs of Rice and 4,050.665 MTs of Wheat have been issued to Amma Unavagams at subsidised rate for the benefit of poor people.

Monitoring price of essential commodities

- With a view to monitor closely the price trend of certain essential commodities and to make necessary steps to curtail price rise, the Government constituted the Price Monitoring Committee in the State which often meet to take necessary steps to control the prices of Essential Commodities. The Committee meets as often as necessary to monitor price trends and suggest corrective measures to curtail prices particularly rice, pulses, oil seeds and to ensure adequate availability of these commodities in the market.

- Existing price control measures like Amma Amudham Departmental Stores, Farm Fresh Consumer Outlets and Special Public Distribution System are being continued by the Government of Tamil Nadu for the benefit of poor and vulnerable sections of the people from raising the prices of essential commodities.

- All the rice cardholders are permitted to exercise their option to get wheat in lieu of rice within the entitlement of food grains. Wheat is supplied in lieu of rice at free of cost to all rice cardholders, at the rate of 10 kg wheat in Chennai city and District Headquarters and 5 kg in other areas subject to availability of wheat, as per the existing norms.

Paddy Procurement

- The De-centralized Procurement System is being followed in Tamil Nadu from 01.10.2002. During the Kharif Marketing season 2019-2020 the Government of India have fixed the minimum support price of paddy at Rs.1,835 per quintal for Grade 'A' variety and Rs.1,815 per quintal for common variety. Further as an additional

benefit to the farmers the Government of Tamil Nadu have decided to grant an incentive of Rs.70 per quintal for Grade 'A' variety and Rs.50 per quintal for common variety, in total Grade 'A' Rs.1,905 and Common Rs.1,865.

- 36.14 LMT paddy procurement in the last three Kharif Marketing Season (from 2016 - 2019).
- In KMS-2019-2020, it has been planned to open 1,700 Nos of Direct Purchase Centers and thereby procurement of 20 LMTs of paddy is expected, at present 469 Nos. of DPC are opened and 64,275 MTs have been procured upto 10.12.2019.
- To ensure transparency in the paddy procurement, cashless transactions were introduced in all the Direct Purchase Centers by Government of Tamil Nadu from the KMS-2015-2016.
- During the current KMS-2019-2020, the ECS Method of payment to the farmers were implemented in all regions and as on 10.01.2020 totally 13,633 farmers have been benefitted through ECS method of payment.

The Government have given administrative sanction of Rs.50,41,38,299 per month i.e., Rs.604,96,59,588 per annum as expenditure towards purchase of 20389.820 MT of additional Rice for the beneficiaries. To get additional rice for implementing the scheme and to get additional grant for meeting the expenditure the Government have issued order for administrative sanction.

❖ ❖ ❖

Tamil Nadu's power position

Installed Capacity

- As on 01.11.2019 the installed capacity is 31,416 MW.

Capacity addition

- Capacity to the tune of 2,594 MW has been added to the Tamil Nadu's grid through State & Central projects, medium term & long term power purchase agreements and renewable energy.

Renewable Energy

Wind Energy

- New wind mills with installed capacity of 825 MW has been added in the last three years, totalling to installed capacity of 8,503 MW. An all time high generation of 107.317 MU has been achieved on 19.07.2018.

Solar energy

- 2,339 MW of Solar energy has been added to the Tamil Nadu's grid in the last three years totalling to installed capacity of 3,827 MW.

- Considerable quantum of solar generation is being realised during day time to a tune of around 1,000 MW to 1,800 MW. An all time high of 2,474.5 MW on 04.10.2019 and 16.623 MU on 01.10.2019 had been harnessed from solar generators.

Power consumption

- Tamil Nadu has met an all time high peak demand of 16,151 MW on 03.04.2019 and an all time high energy consumption of 369.94 MU on 12.04.2019.

- Chennai has met an all time high peak demand of 3,738 MW on 18.06.2019 and an all time high energy consumption of 64.83 MU on 02.06.2017.

Transmission

- 257 sub-stations and 4,333 circuit kms of EHT lines have been energised in the last three years to evacuate the additional power generation and to provide quality and reliable supply.

Distribution

- ✶ In the last three years, 40,575 distribution transformers, 9,875 kms of HT lines and 21,211 kms of LT lines have been energized to provide quality and reliable supply. Further, TANGEDCO had also effected service connections to 23.35 lakh new consumers under all categories.

One day service connection scheme:

- ✶ This scheme has been launched on 12.06.2017. Under this scheme new LT Domestic and Commercial service connections which fall under mere service connection category the electricity service connection will be effected on the same day on receipt of application. The facility of one day service connection received good response from Public and till date around 6,85,404 service connections have been effected under this scheme.

New LT industrial service connections within 7 days:

- ✶ A scheme for effecting LT industrial service connections within 7 days up to a demand of 112 kilowatt for both new and additional load has been implemented with effect from 15.07.2017 for the development of the Industrial Sector. Till date around 84,559 service connections have been effected.

- ✶ Towards enhancement of ease of doing business, the Policy of 24x7 power to Industries / Developers with a demand of 10 MVA and above or with an investment of Rs.100 crore or more has also been launched with effect from 05.09.2017. Under this scheme the industries or developers who have signed Memorandum of Understanding (MoU) with TANGEDCO will get a dedicated feeder free, to extend quality uninterrupted 24x7 power. If land is provided by developer, TANGEDCO will also establish a sub-station of appropriate voltage level. Under this scheme, MoU has been executed with M/s. Mahindra Industrial Park Limited, Chennai, in the presence of Hon'ble Chief Minister of Tamil Nadu on 05.09.2017 and M/s GMR Krishnagiri SEZ Ltd., in the presence of Hon'ble Minister for Electricity, Prohibition and Excise on 31.10.2017.

Agricultural Service connection:

- ✶ To improve the agriculture activities, a fast track (tatkal) scheme for effecting free agriculture service connections within six months against a onetime payment for infrastructure development for willing farmers has been introduced with effect from 24.06.2017. As on date, around 22,583 agricultural service connections have been effected under this scheme.

- ✶ During the year 2018-2019, 21,302 agricultural service connections have been effected for the benefit of the farmers under various schemes including Tatkal and this year (2019-2020) as on date 14,757 service connections have been effected.

UJALA Scheme:

- ✶ TANGEDCO has permitted M/s. Energy Efficiency Services Limited (EESL) to sell 9 watt LED bulbs, 20 watt LED tube lights and 50 watt energy efficient 5-star

rated fans at affordable price to the willing domestic consumers through independent kiosks all over Tamil Nadu.

- On 22.03.2017, M/s. EESL had commenced the sale in Chennai Region (Phase-I) through Distribution Agents (DAs). The above sale is in progress in 26 Electricity Distribution Circles (EDC) in the State. As on date, 25.63 lakh LED bulbs, 4.69 lakh LED tube lights and 1.21 lakh BEE 5 star fans have been sold.
- Apart from this as a part of Gram Swaraj Abhiyan programme, UJALA scheme was launched on 14.04.2018 in Chennai to sell subsidized LED bulbs in 1,477 identified villages across the State and about 5.96 lakh LED bulbs have been sold through this programme.

Finance

- Orders have been issued, to take over TANGEDCO's loan of Rs.22,815 crore by Government of Tamil Nadu under UDAY scheme. TANGEDCO will save interest of Rs.2,882 crore per annum and cash flow savings of Rs.2,282 crore per annum towards principal repayment. The entire takeover portion of Rs.22,815 crore has been released by GoTN to TANGEDCO as interest free loan and the same was utilised for repayment of loans.
- The debt taken over will be converted into grant and adjusted over a period of five years and the loan in TANGEDCO account will remain as interest free till its adjustment as grant. As per MoU GoTN agreed to convert the debt into grant in 5 tranches i.e., 20% of Rs.22,815 as grant on every year for 5 years. Thus conversion of debt into Grant commences from Financial Year 2017-2018 onwards. As per MoU, GoTN till now sanctioned grant of Rs.13,689 crore.
- GoTN has taken over Rs.217.43 crore being the 5% loss of Rs.4,348.76 crore

for the Financial Year of 2016-2017 in the Financial Year 2017-2018.

- ✶ GoTN has taken over Rs.776.08 crore being the 10% loss of Rs.7,760.78 crore for the Financial Year of 2017-2018 in the Financial Year 2019-2020 .

- ✶ Sanctioning Government Guarantee for Rs.7,605 crore to TANGEDCO to issue of bonds under UDAY Scheme and mobilize funds to repay the loans. TANGEDCO will save Rs.200 crore per annum. Rating the UDAY Bonds for mobilization of Rs.7,605 crore through private placement of Bonds is under process. After Rating, Bonds will be floated through merchant Bankers.

TEDA

Chief Minister's Solar Powered Green House Scheme (CMSPGHS):

- ✶ Government of Tamil Nadu had launched India's largest Solar Rooftop programme targeting 3,00,000 Green Houses with Solar powered lights to be installed over a period of 5 years from 2011-2012 to 2015-2016 at 60,000 houses per year. Under this scheme Rooftop solar panel totaling 20-30 MW will be installed in 5 years at an estimated cost of Rs.900 crore. Besides, energizisation of 10,000 houses constructed for weavers is also being taken up at a cost of Rs.30 crore.

- ✶ Solar Home Lighting Systems have been installed in 67,291 Green Houses, 4,638 weavers houses totaling 71,929. So far 2,97,288 Solar Home Lighting systems have been installed, under this scheme.

Solar Roof top Power Plants in Government buildings:

- ✶ In the buildings of the SIDCO Chennai, Bharathiyar University Coimbatore, Central Co-operative Bank Kumbakonam, TWAD Board Chennai and 14 District Courts in Tamil Nadu a cumulative Capacity of 781 kWp of roof top Solar Power Plants have been installed.

Grid Connected Rooftop Solar and small solar power plants Programme:

- ✶ TEDA has achieved 25MW in the installation of solar rooftops under "Grid Connected Rooftop Solar and small solar power plants Programme" of MNRE.

CEIG

2017-2018

- ✶ The Government of Tamil Nadu enacted the Tamil Nadu Lifts Act, 1997 to regulate erection, maintenance and safe working of lifts. The Tamil Nadu Lifts Act, 1997 does not contain any provision for regulation and licensing of Escalators. In order to regulate erection, maintenance and safe working of escalators, the Tamil Nadu Lifts Act has been amended during 2017 to include suitable provisions for licensing of Escalators.

2018-2019

- ✶ As per the provisions of Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010, drawing scrutiny report and safety certificate for High Voltage, Extra High Voltage electrical installations and Multistoried buildings are

issued. The software for issuance of drawing scrutiny report and the safety certificate has been developed through Tamil Nadu e-Governance Agency (TNeGA) and the pilot project has been launched in the office of the Electrical Inspector/Virudhunagar Division on 14.08.2018.

- ✶ As per Tamil Nadu Business Facilitation Rules, 2008, the software for issuance of drawing scrutiny report and the safety certificate has been developed through Tamil Nadu Industrial Guidance and Exports Promotion Bureau. Hence, the services namely issuance of drawing scrutiny report and the safety certificate received at this office through single window are delivered within 5 and 7 working days respectively.
- ✶ In order to implement energy efficiency measures at Government schools, existing energy inefficient 599 tube lights and 431 fans at 4 Government Schools at Chennai were replaced by LED tube lights and star rated energy efficient fans.
- ✶ As a part of space cooling campaign, it was proposed to create awareness among general public on the importance of operating air conditioners at a temperature of 24 degrees which leads to achievement of 20% of energy savings. Accordingly, posters and stickers were printed and distributed to Government buildings and other private buildings where public movement is expected.

Proposal for the year 2019-2020

Budget Speech

- ✶ To enhance the testing facility of Government Electrical Standards Laboratory (GESL) to International Standards, Rs.1.5 crore has been sanctioned for purchase of precision calibration equipment.

❖ ❖ ❖

Forest Department

Plan Schemes

- ✶ Under Massive Tree Planting Programme, 69 lakh seedlings have been planted in 31 Districts throughout Tamil Nadu during 2017-2018. Under the scheme, Forest Department planted 5 lakh seedlings and Rural Development and Panchayat Raj Department planted 64 lakh seedlings. The scheme was continued with a target of 70 lakh seedlings during 2018-2019. Forest Department planted 7 lakh seedlings and Rural Development and Panchayat Raj Department planted 63 lakh seedlings.

- Government have sanctioned Rs. 4,521.48 crore for taking up widening, strengthening and improvements in 3,257 km roads, improving riding quality in 3,597 km roads, 56 nos. of culverts and bridges and 1,718 protective works such as drains, retaining walls, road safety works etc.
- Government have sanctioned an amount of Rs.38.82 crore for the acquisition of lands for the Formation of Ring Road to Vellore City (Phase-I). Land acquisition is in progress.
- In the year 2017-2018 Government have sanctioned Rs.100 crore for carrying out the Road Safety Components of Widening / Reconstruction of narrow Culverts / Minor bridges / Causeways, Realignment of S curve / Acute curve, Construction of safety wall / Crash barrier along High Embankment / Hill road, junction improvements and

improvement of accident prone spots. In this, 90% works have been completed. Balance works are in progress.In the year 2018-2019 Government have sanctioned Rs.100 crore for carrying out 664 Nos. of Road Safety works similar to the above.

- In order to improve the connectivity in and around Chennai City, Government have sanctioned an amount of Rs.216 crore for the up gradation of the core road networks in and around Chennai City and Rs.51.21 lakh for preparation of Land Plan schedule.Works are in progress.
- The Government have sanctioned an amount of Rs.45 crore for Widening from to four lane and strengthening at km 2/0 – 6/2 of Puduvoyal – Pulicat Road including Land Acquisition under TNIPP2 land acquisition work is in progress.
- Government have sanctioned an amount of Rs.125.96 crore for the land acquisition for the Formation of Outer Ring Road to Hosur Town and land acquisition work is in progress.
- Government have sanctioned an amount of Rs.54.07 crore for construction of fly over at km 437/10 of Varanasi-Kanniyakumari road (Abandoned NH stretch) including Grade improvements at Kalavasal junction, Arasaradi junction, and including construction of road from 4/6 (Arasaradi junction) to km 5/2 (Kalavasal junction) of Madurai-Cochin road (SHU 107).Work is in progress.
- Government have sanctioned Rs.4.18 crore for acquisition of land for forming bypass to Thirukattupalli town and Land acquisition is in progress.
- Government have sanctioned Rs.514.05 crore for undertaking Permanent Flood Restoration works.
- Under State Infrastructure Amenities fund, Widening and improvement of roads are sanctioned. Government have sanctioned Rs.48.43 crore for 2 works in Madurai District, 7 works in Theni District and Rs.31.79 crore for 2 works in Sivagangai District, 3 works in Krishnagiri District . All works are in progress.
- Government have sanctioned Rs.80.62 lakh for preparation of Detailed Project Report for formimg of bypass to Sivagangai town and DPR for L.A for forming bypass to Coonoor and Ooty.
- Government have sanctioned Rs.25 lakh each for preparation of Detailed Project Report for the Construction of High level Bridge across Thenpennaiyarriver in lieu of existing causeway at km 72/0-72/6 of Cuddalore-Chithoor road (SH9)in Villupuram District and for the Construction of High level Bridge across Palar connecting Kangeyanallur to Sathuvachari villages in Vellore District and Preparation of DPR is in progress.
- Government have sanctioned Rs.37 lakh for preparation of Detailed Project Report for two works in Theni District and for the work of Extension of Flyover along Athupalam and Ukkadam up to Oppanakara Street in Coimbatore City. One work in Theni District involves Forest clearance. Remaining works are in progress.

- ✶ Government have sanctioned Rs.37.50 lakh for preparation of Detailed Project Report for the work and Construction of Bridge across Manniyaru river connecting Mettutheru in Thanjavur District and Mela Ramanallur in Ariyalur District including formation of Link road and Preparation of DPR work is in progress.
- ✶ Government have sanctioned Rs.251.269 lakh for Preparation of Detailed Project Report for Upgradation of Highways roads within Corporation limits in Tiruchirappalli, Thanjavur, Madurai, Dindugal and Thoothukudi and Preparation of DPR is in progress. .
- ✶ Government have sanctioned Rs.2.40 crore for Construction of one division office, 4 Sub-division and section offices, and 3 section offices in Dindigul, Pudukkottai, Tirunelveli and Tiruvannamalai District. Works are in progress.
- ✶ Government have sanctioned Rs.8.99 crore for procurement of pot hole repairing machine to maintain the riding surface of the urban roads in trim condition for 12 Corporations and for its continuous maintenance in three years.
- ✶ Government have sanctioned an amount of Rs.7.98 crore for construction of bridge across Bhavani river in Erode District.
- ✶ Government have sanctioned an amount of Rs. 688.26 crore for taking up improvements in 205 km of State Highways and 302 km of Major District Roads in Palani division under Performance Based Maintenance Contract (PBMC).
- ✶ Government have sanctioned an amount of Rs.715 crore for taking up improvements in 198 km of State Highways and 360 km of Major District Roads in Sivagangai division under Performance Based Maintenance Contract (PBMC) .
- ✶ Government have sanctioned an amount of Rs.112.07 crore for 200 Nos. of Permanent Flood Restoration works such as Paver blocks, Drains, Protective walls and Culverts in Udagai, Pollachi and Coimbatore divisions.

- Government have sanctioned an amount of Rs.25.15 crore for forming bypass to Manachanallur town.
- Government have sanctioned an amount of Rs.106.51 crore for 11 works for widening, improvement of roads and construction of drain in Extended Chennai Corporation Area under phase III.
- Government have sanctioned an amount of Rs.63.26 crore for taking up widening and improvements of 3 roads leading to the proposed CEAT tyre company.
- Government have sanctioned an amount of Rs.7.19 lakh for preparation of DPR for forming bypass to Gudalur town in the Nilgris District.
- Government have sanctioned an amount of Rs.4.87 crore for widening to four lane and improvements at km 0/0-0/625 of Perundurai Police Station to Old Bus Stand in Erode District.
- Government have sanctioned an amount of Rs. 2.30 crore for Rehabilitation of High Level Bridge across Thenpennaiyar at km 0/2 of Pennaiyaru bridge approach road.
- Government have sanctioned Rs.265.44 crore for Extension of flyover along Athupalam and Ukkadam opposite to Oppanakara street in Coimbatore City.
- Government have santioned Rs.100.63 lakh for preparation of detailed Project Report for the Grade Separator in 5 locations namely, Madurai-Thondi road, Madurai-Natham, Theni Town, Avinashi-Tiruppur-Palladam-Pollachi-Cochin (via) Meenkarai road and Hosur Inner Ring Road.
- The Government have sanctioned, under State Fund Rs.2,706.25 crore for the upgradation of 1,643 nos. of Panchayat Union Roads / Panchayat Roads to ODR standard to a length of 4758 km at during 2017-2018 to 2019-2020 (up to 10.01.2020)
- Under NABARD loan assistance scheme, the Government have sanctioned, Rs.115.31 crore for Construction of 56 Bridges during 2017-2018, Rs.200.15 crore for Construction of 70 Bridges during 2018-2019 and Rs.222.343 crore for Construction of 80 Bridges.
- Under Annual plan 2019-2020, 19 road works of 240.02 km length and 23 bridge works for Rs. 305.41 crore had been sent to GoI MoRTH (Ministry of Road Transport and Highways) for sanction.
- Under CRF 2017-2018, 152 No. of works to a length of 1,121.81 km have been sanctioned at a cost of Rs.1,105.92 crore. Of this, 130 works for a length of 993.68 km have been completed at a expenditure of Rs.862.73 crore, in 2018-2019, 71 works have been sanctioned by MoRTH to a length of 624.79 km at an estimated cost of Rs.1,996.40 crore. Of this, 22 works for a length of 190.94 km have been completed during 2018-2019 at a expenditure of Rs.249.49 crore.
- Under Inter State Connectivity scheme during the year 2017-2018, road work for a length of 41.2 km had been sanctioned at a cost of Rs. 72.905 crore and the work is in progress. In 2019-2020, 4 road works to a length of 29.25 km amounting to Rs.96.76 crore is under consideration of GoI for sanction of funds.

- In 2019-2020, 8 road works to a length of 53.952 km for an amount of Rs. 48.77 crore have been sanctioned by the MoRTH and is in tender stage.
- In the year 2017-2020, the Government have accorded Administrative Sanction for preparation of Detailed Project Report for the 53 HLBs, 19 ROB/ RUBs, 19 Bypasses, 4 Link roads, 1 Elevated Corridor and 1 Grade Separator at a total cost of Rs.18.51 crore and preparation of Detailed Project Report works are in progress.
- The Government have accorded Administrative Sanction for Preliminary works for the 2 HLB, 9 ROB/ RUBs and 6 Bypasses at a tune of Rs.304.39 crore. LA works are in process.
- Moreover, the Government have accorded Administrative Sanction for carrying out Construction works for the 14 ROB/ RUBs, 19 HLBs, 2 Bypasses, 1 road work and 1 Grade Separator at a total cost of Rs.754.11 crore and the works are in progress.
- The Hon'ble Chief Minister have announced during the Budget Demand 2019-2020, the Detailed Project Report will be prepared for 3 ROB/ RUBs at a cost of Rs.1.08 crore. The administrative sanction for preparation of DPR is going to be sanctioned.
- Construction of Grade Separator at the intersection of Sandhai road and Kundrathur road with GST road at Pallavaram at a cost of Rs.82.66 crore is in progress.
- Construction of Grade Separator in Right Hand Side in Kolathur Irattai Eri at the Junction of Perambur Redhills Road and Inner Ring Road at a cost of Rs.41.08 crore is in progress.
- Construction of Limited Use Subway near Korattur railway station at a cost of Rs.21.96 crore is in progress.
- Construction of Grade Separator at the Intersection of Mount – Medavakkam Road and Pallavaram – Thuraipakkam Road near Kilkattalai at a cost of Rs.64 crore is in progress.
- Construction of Grade Separator Connecting Medavakkam-Sholinganallur Road Junction, Medavakkam-Mambakkam Road Junction and Mount-Medavakkam Road Junction in Marmalong-Irumbuliyur road at Medavakkam at a cost of Rs.146.41 crore is in progress.

- ✶ Construction of Grade Separator at the Intersections of Taramani Road, Tambaram – Velachery Road and Velachery Bypass Road at Velachery Vijayanagar at a cost of Rs.108 crore is in progress.
- ✶ Reconstruction of High level bridge at Km 0/6 of Thiruvottiyur – Ponneri - Panchetty Road across Buckingham canal at a cost of Rs.58.64 crore is in progress.
- ✶ Construction of Foot over Bridge and Skywalk with escalator at Km 25/6 of GST road at Tambaram at a cost of Rs.19.75 crore is in progress.
- ✶ Construction of Grade Separator at the intersection of Kaliyamman Koil Street and City Bus entrance of CMBT with Jawaharlal Nehru Salai (IRR) at Koyembedu at a cost of Rs.93.50 crore is in progress.
- ✶ Formation of Tambaram Eastern Bye-pass road branching from Km 17/4 of Marmalong bridge - Irumbuliyur road from Rajakilpakkam (via) Agaramthen road towards Perungalathur in the land acquired stretch of Km 5/450 - 8/080 at a cost of Rs.36.69 crore is in progress.
- ✶ Construction of ROB in lieu of LC No. 32 in between Tambaram and Vandalur Railway stations near Perungalathur Railway station at a cost of Rs.206.08 crore is in progress.
- ✶ Chennai Kanniyakumari Industrial Corridor Project (CKICP) has been established with loan assistance of Asian Development Bank (ADB) for an amount of Rs.6,448 crore for Strengthening/Widening of the 15 State Highways to a total length of 655 km. Land Acquisition is in progress, for widening of roads and for Bypasses. It is planned for widening and upgrading the Roads & Bridges along with Construction of new ROBs & River bridges to facilitate the safe and free flow of traffic to the public and the work will be commenced shortly.
- ✶ The Government have formed Tamil Nadu Road Sector Project-II for upgrading high traffic road corridors in the State. Loan and Project Agreement for US$300 Million were signed on 28.05.2015 and loan become effective on 10.07.2015. This project covers road upgradation, maintenance, Institutional Capacity Enhancements and Road Safety measures.
- ✶ Under Engineering Procurement Construction Contract (EPC) 427 Km length of 2 lane with paved shoulders roads, under 10 packages have been signed for an amount of Rs.1,705 crore. Out of 10 packages, 9 packages EPC 01, 02, 03, 05, 06, 07, 08, 09 & 10 have been completed. For EPC 04 package, Contract terminated on 01.11.2018. Tender for the balance quantity invited and the same has been opened on 30.09.2019. The Tender Evaluation is under process.
- ✶ Already upgraded TNRSP Phase I roads namely Arcot - Thiruvarur Road and Nagapattinam-Tuticorin Road have been taken up for maintenance under OPRC at a cost of Rs.220.07 crore The length of road is 579.543 km and maintenance period is for 5 years. 4th year Maintenance work is under progress.
- ✶ Under Public Private Partnership (PPP) mode widening of 146.46 Km length of roads to four lane standards on Design,

Build, Finance, Operate, Maintain, and Transfer (DBFOMT) basis on Modified Annuity model have been taken up which includes 18 months to 24 months of construction period and 8 years of maintenance period in 3 packages.

- PPP01 (SH 15) tender invited and opened on 09.12.2019 and it is under scrutiny. PPP03 (SH 39) Tender floated on 20.11.2019 and tender to be opened on 23.01.2020 and for PPP02 (SH 37) work is under progress.

- Preparation of Detailed Project Reports for a length of 3,319Km are being taken up under TNIDB fund assistance of Rs. 132.70 crore.

- Out of this 3,319 Km, 1,181.635 Km length of road have been taken up in first phase in 5 packages viz., PPC 06, PPC 07, PPC08, PPC 09 & PPC 10 and selection of DPR consultancy service for a length 212.785 km PPC 06 packages has been completed out of which 107 km length of 7 roads will be executed with the world Bank Additional Funding. The finalization of consultancy for remaining packages of PPC 07 to PPC 10 are under progress.

- The development of Chennai Outer Ring Road Phase-I for a length of 29.65 km from Vandalur to Nemilichery was taken up at a cost Rs.1,081.40 crore under Design, Build, Finance, Operate and Transfer (DBFOT) Annuity basis under Public Private Partnership and the project road to a length of 27 Km from Mannivakkam to Nemilichery has been completed and put to Public use. At present 99.50% of work has been completed except the construction of Ramps in Vandalur and Clover leafs in Nazarathpet. The balance work is expected to be completed by March 2020.

- The development of Chennai Outer Ring Road Phase-II for a length of 30.50 Km from Nemilicheri to Minjur was taken up at a cost of Rs.1,075 crore under Design, Build, Finance, Operate and Transfer (DBFOT) Annuity basis under Public Private Partnership. The project has been completed for 98.50% of work except for a small length of 0.50 Km which is under land litigation. The works will be completed soon on disposal of land litigation and put to public use by March 2020.

- Improvements of Rajiv Gandhi IT Express way corridor has been planned from Siruseri to Mahabalipuram, for a length of 25 km, with the widening of six lane road including two bypasses at Kelambakkam and Tiruporur under Phase-II. The Government have accorded Administrative Sanction for Rs.243.70 crore for forming two bypasses at Kelambakkam (4.675 km) &Tiruporur (7.45 km) under TNIPP-II as 1st stage. The Tamil Nadu Road Development Company is executing the above two bypass works and the work is in progress. At present 48% of works completed and planned to complete the work by December 2020.

- The construction of a four lane high level bridge at Km 69/300 in ECR road at Ilayanarkuppam is taken-up at a cost of Rs.23.78 crore. At present 70% of the works completed and the balance works is planned to be completed within the agreement period i.e., 19.03.2020.

- Under PPP (BOT-Toll) mode during year of 2017-2018, the Widening the Madurai Ring Road from double lane to four lane for a length of 27.2 km has been started at an estimated cost of Rs.213.69 crore. All works have been completed except one ROB at Kappalur for which Railway safety clearance is underway and Commercial Operation started from 22.11.2019.

- During the year of 2017-2018 in order to Encourage the Development of Industries and to improve road facilities in and around industrial park at Oragadam, the improvements of Four laning to Six laning from Oragadam to Walajabad of the Vandalur – Wallajabad Road (15.40 km) has been taken up under Phase V for execution at an estimated cost of Rs.189.81 crore. So far 70% of work has been completed and balance work is in progress.

- During the year 2018-2019, in the Vandalur – Wallajabad road at Mannivakkam Village, a Minor Bridge has been taken up for execution at an estimated cost of Rs.5 crore under CRIDP fund across the river Adyar in Kancheepuram District. So far 75% work has been completed and balance work is in progress.

- Chennai Peripheral Ring Road starts at Ennore Port and ends at Poonjeri Junction near Mamallapuram, having a length of 133.65 km which is split into 5 sections and proposed to be executed at a cost of around Rs.12,301 crore. The Government has issued G.O. for land acquisition for Section-I (Ennore Port-Thatchur) which involves 174.65 hectares at a cost of Rs.951 crore and the Land Acquisition work is executed by Tamil Nadu Road Development Company which is under progress. The Government have sanctioned a sum of Rs.2,673.42 crore for the execution of Section I of this project and also Loan Agreement has been made with JICA and the agreement has been signed on 18th January 2019 for 40,074 Million Japan Yen (Rs.2,473.70 crore). The procurement of Consultants completed and the Detailed Project Review work commenced.

- Sections II, III and V of Chennai Peripheral Ring Road the Government have issued G.O. for land acquisition of 558.53 hectares at cost of Rs.2,603.32 crore and the process of Land Acquisition has been taken up by TamilNadu Road Infrastructure Development Company for the execution of Section 2 and 3 the AIIB (Asian Infrastructure Investment Bank) and OFID (OPEC Fund for International Development) has been approached and the Department of Economic Affairs, New Delhi has approved the proposal. The Loan Agreement is likely to be signed for an amount of 478.07 Million USD.

- During the year 2017-2018, Training on “Quality control & Material testing procedures” for 23 Engineers of RD & PR Department was imparted. Also, one day technical workshop on “Road Shoulders, Marginal Material and Material Characterization” was conducted and 80 Engineers of Highways Department have participated. The practical session on ‘Highways Development Module-IV’ software for 20 Highways Engineers was also conducted. During the year

2017-2018 weekly Technical Lectures of 47 Nos. were conducted and 1,688 participants have taken part in the lecture programme. Consequently, 326 students from Engineering colleges have been benefitted through the one day Industrial visit, 23 students have undergone in plant trainings and 28 students have benefitted for their project thesis work under the guidance of Highways Research Station.

- ✶ During the year 2018-2019, Orientation training was imparted to 161 newly recruited Assistant Engineers in 4 batches. The Quality Control training was given to 54 Engineers in 2 batches. During the year 2018-2019, 25 students from Engineering Colleges have undergone in plant training and 12 students have completed their project work in Highways Research Station.
- ✶ The training programme on "Insights about the functions and works executed in Highways Department" was given to the Secretariat staff of Highways & Minor Ports Department in 2 batches at Highways Research Station.
- ✶ Apart from the above, the training on technical topics such as Geotechnical investigation & Pile load test, Principles of Concrete Mix Design and its performance, Eco friendly materials used in Bituminous layers were given to the Engineers of Highways Department. In addition, the training on general topics such as GST and Motivation have undergone to the Engineers & staff of the Highways Department. Also 15 Engineers from Highways Research Station were given training on "Testing Methods of Crushed Stone Sand (M-Sand)" at National Test House, Taramani.
- ✶ Road Safety Audit training were imparted to 171 Engineers under MoU with IIT-Madras.
- ✶ During the year 2019-2020, Quality Control training was imparted to 52 departmental Engineers. Also, 33 students from Engineering Colleges have undergone the in-plant training at Highways Research Station.
- ✶ In the last 3 years the Laboratories of Highways Research Station have conducted 74,844 tests on material and earned revenue for Rs. 55.057 crore.

Works Completed from 2017-2018 to 2019-2020

- Under Comprehensive Road Infrastructure Development Program, Widening/ Improvements in 12,603 Km length of roads and 1,993 culverts/bridges/other protective works have been completed at an expenditure of Rs.8,509 crore. Further improving riding quality in 3,739 Km length of roads completed at an expenditure of Rs.784 crore.
- Relaying of 8,524 Km length of Roads has been completed at an expenditure of Rs.2,513 crore.
- Under Road Safety Project, Rs.238.20 crore value of works has been completed.
- In order to facilitate free flow of traffic and to avoid accidents in Salem City at Steel Plant road junction, Government have sanctioned the work of "Construction of Flyover at Steel Plant Road Junction in Salem City" at a cost of Rs.21.97 crore. The Work has been completed and Inaugurated by Hon'ble Chief Minister on 18.11.2018.
- The Government have sanctioned an amount of Rs.11.50 crore for Widening to four lane and strengthening at km 0/0 – 2/0 of Puduvoyal – Pulicat Road excluding Land Acquisition as phase-I. Now the work is completed.
- Government have sanctioned Rs.3.96 crore for Construction of bridge at km 11/4 of Palaiyur-Anukkur-Valikandapuram including improvements of road in km 8/6-12/0 and drain at km 8/6-9/0 & 11/4-12/0 under State Infrastructure Amenities Fund. Now the work is completed.
- Under Annual Plan 2017-2018, 53 No of works to a length of 510.48 km have been sanctioned at a cost of Rs.1,059.44 crore. Of this, 45 works for a length of 415.10 km have been completed at a cost of of Rs.604.21 crore. In 2018-2019, 22 No. of works to a length of 142.33 km have been sanctioned at a cost of Rs.843.11 crore. Of this, 3 works for a length of 6.24 km have been completed at an expenditure of Rs.20.33 crore.
- Under PR 2018-2019, 5 road works for a length of 41.55 km amounting to Rs.25.76 crore have been taken-up for implementation and completed.
- Under PMGSY-II 2017-2018, 40 Road works to a length of 142.39 km amounting to Rs.58.93 crore have been sanctioned and all works are completed.
- Under NABARD loan assistance Scheme, totally 194 bridges and 32 Roads to a length of 87 km have been completed with an expenditure of Rs. 480.38 crore, benefitting the people residing in 27 Districts.
- For the last 3 years (upto 10.01.2020) under State Fund, 813 nos. of Panchayat Union Roads / Panchayat Roads to a length of 2,443 km has been upgraded to ODR standard with an expenditure of Rs. 1,203.50 crore, benefitting the people residing in 31 Districts.
- For the last 3 years, under the Railway Works Programme, RUB at LC 133 at

Tiruppur Kongu Nagar, LUS at LC 406 at Virudhunagar, ROB at LC 7 at Coimbatore Peelamedu, ROB at LC 304 at Thanjavur ROB at LC 2 at Villupuram, Venkatesapuram, ROB – LC 22 at Needamangalam, Vaiyakalathur, ROB at LC 124 at Thottipalayam, Erode, ROB at LC 309 at Hanumanthanagar, Dindigul yard, ROB at LC 403 at Virudhunagar town were completed with an expenditure of Rs.180.08 crore, benefitting the people residing in 8 Districts.

- In last 3 years 19 ROB / RUBs and 4 HLB and 1 grade separator were completed at a cost of Rs. 211.04 crore and opened to traffic.
- The work of "Construction of Grade separator at the intersection of Kodambakkam - Sriperumbudur Road and Mount - Poonamallee road at Porur" was completed at a cost of Rs.58.05 crore and opened to traffic on 25.06.2017
- The work of "Construction of ROB in lieu of LC No.3 between Tondiarpet Thiruvottiyur Railway Station near Thiruvottiyur Mattumandai" was completed for Rs.58.05 crore and opened to traffic on 28.07.2017
- The work of "Construction of additional three lane bridge across Coovam River at EVR Salai near Aminjikarai Km 6/6 was completed for Rs.11.10 crore and opened to traffic on 04.01.2018.
- The work of "Widening of High Level Bridge (HLB) at Km 2/6 across the river Adyar in Mount Poonamalle Avadi Road near Ramapuram" was completed for Rs.17 crore and opened to traffic on 04.06.2018.
- Website for Highways Department (www.tnhighways.gov.in) launched.
- Website for Chennai - Kanniyakumari Industrial Corridor Project (CKICP) (www.ckicp.tnhighways.gov.in) launched.
- Under Compassionate Ground 5 Junior Assistants, 28 Office Assistants and 9 Assistant Draughts man have been appointed in the year 2017-2018. 15 Junior Assistants, 21 Record Clerks, 10 Office Assistants, 8 Typists, 2 Sweepers and 1 Assistant Draught man have been appointed in the year 2018-2019. Also, 11 Junior Assistants, 15 Record Clerks, 7 Typists,6 Assistant Draught man and 12 Office Assistants, have been appointed in the year 2019.
- 92 Junior Assistants, 12 Typists and 5 Stenographers have been recruited through TNPSC in the year 2017- 2018 .
- 164 Assistant Engineers under Group-I (Combined Engineering Service) and 222 Assistants under Group-II A have been recruited through TNPSC in the year 2018-2019.
- 15 Assistants,32 Junior Assistants, 8 Typists and 3 Stenographers grade-III have been recruited through TNPSC in the year 2019.

❖ ❖ ❖

Director General of Police

Special Branch CID

- The State remains peaceful and maintains law and order. The major occasions like Vinayagar idol immersion processions organized in the State, Athivaradhar festival of Arulmigu Varadharaja Perumal temple at Kancheepuram and observance of Thevar Jayanthi and Guru Pooja at Pasumpon (Ramanathapuram), went off peacefully, following the elaborate bandobust arrangements and precautionary measures taken based on the actionable inputs by State intelligence wing.
- The Parliamentary Elections in the State and Bye-elections for 22 Assembly Constituencies, held during April and May, Vikkravandi and Naguneri Assembly Constituencies during October and elections to Rural Civic bodies during December, were incident free.
- The ongoing agitations by various Muslim Organisations, All Muslim Jamaath, political parties (DMK, CPI, CPI-M, etc.,) against Citizenship (Amendment) Act since December 2019 are being handled smoothly without leading to any law and order problem.

Security Branch CID

- The visit of His Excellency the President of People's Republic of China to Mahabalipuram was meticulously planned and security measures effectively implemented.
- The Special Branch Training School attached to the Security Branch CID has during the year 2019, conducted training courses for 21 batches in which 600 officers and men were trained.

Coastal Security Scheme (Phase – II):

- All the 30 Marine Police Stations sanctioned under Phase-II are commissioned. Vehicles and equipments were procured and supplied to Marine Police Stations. Construction of jetties for berthing of Boats at a cost of Rs.50 Lakh.

Marine Enforcement Wing :

- ✶ In view of Enforcement of Tamil Nadu Marine Fishing Regulation Act, 1983 in Coastal Districts separate 'Marine Enforcement Wing' has been created under the direct control of Commissioner / Director of Fisheries.
- ✶ 93 men and officers and 20 Ministerial Staff strength sanctioned to be deputed from Police Department to serve under the control of Commissioner / Director of Fisheries.

Village Vigilance Committee Meetings:

- ✶ 333 VVC meetings were organized by the officers of CSG to create awareness about coastal security and other coastal issues which helped the Marine Police in building up the relationship with the fisher folks and collection of intelligence.

TAMIL NADU COMMANDO FORCE

- ✶ In the year 2019, a special drive was conducted to infuse youth and vigour into the Quick Reaction Teams of Tamil Nadu Commando Force by enrolling the recently inducted young recruits from the Police Constabulary. Specialized physical tests were conducted in order to handpick the fittest personnel amongst the young recruits. Out of incumbent 240 Commandos, 70 were newly inducted through the special recruitment drive to ensure that the QRTs are manned by the best and fittest.

TAMIL NADU COMMANDO SCHOOL

- ✶ The Tamil Nadu Commando School (TNCS), one of the premier police training institutions in the country, was established in the year 1997 drawing its rich, multifaceted and erudite faculty of trainers from the State Police and ex-Army/ CAPFs personnel.
- ✶ The TNCS subsumes the BDDS unit and the Dog Squad and has five regional training centres to its repertoire, namely at Pallipattu in Tiruvallur District, Mettur in Salem District, Othivakkam in Kancheepuram District, Vallanadu in Thoothukudi District and the latest in Trichy which at present has been temporarily assigned to the Idol Wing, EOW.

- Rs.85,000 granted to those fishermen whose F.R.P. Boats and fishing nets were fully damaged during cyclone Gaja and Rs.30,000 for partially damaged.
- Rs.5,00,000 granted to the fishermen whose motorised boats which were fully damaged during cyclone and Rs.3,00,000 for partially damaged motorised boats.
- Rs.10,000 given to those fishmen whose fishing nets were damaged.
- Rs.5,000 given for restoration of the engine of the motorised boats of the fishmen.
- Rs.2,403.50 crore have been distributed by various Departments for the people affected by Gaja Cyclone.

Drought 2016-2017

- An amount of Rs.2,247.07 crore was sanctioned towards input subsidy to farmers whose crops were affected by more than 33% as per SDRF Norms. A sum of Rs.1,867.13 crore disbursed to drought affected farmers.
- The Government additionally sanctioned to Dharmapuri District for a sum of Rs.1.86 crore from State Disaster Response Fund towards input subsidy to the affected coconut crops due to drought 2016.
- An amount of Rs.27.70 crore (6.91 + 10 + 10 + 0.79) was sanctioned under State Disaster Response Fund (SDRF) to the Department of Animal Husbandry and Veterinary Services for taking necessary measures to ensure supply of dry folder and water to the cattle.
- The Government have sanctioned a sum of Rs.241.66 crore under State Disaster Response Fund (SDRF) for undertaking water supply works by different Departments.
- A sum of Rs.44 crore under State Disaster Response Fund (SDRF) for undertaking water supply works to Rural Development, Municipal Administration, Town panchayat, TWAD Board and CMWSSB Departments.

Hydrological Drought 2019

- The Government have issued orders that 24 Districts and 38 Blocks in 7 Districts were declared as affected by Hydrological Drought.
- In continuation to the above, a sum of Rs.290.04 crore has been sanctioned to line Departments to meet the drinking water supply required during summer 2019.
- An amount of Rs.186,25,07,782 has been sanctioned from SDRF to the affected farmers whose crops were affected by American Fall Army Worm in 17 Districts.

Drought Mitigation Measures:

- The Government have issued orders to strengthen the Tamil Nadu State Disaster Management Agency (TNSDMA) with Drought Monitoring Centres at State and District level to carry out studies and arrive at Short, Medium and Long-Term strategies for managing Disasters with special focus on Droughts and Floods.

- ✶ The Government have also accorded administrative sanction for an amount of Rs.12.50 crore towards the cost of consultancy services and other expenditure under the component of Capacity Building under State Disaster Response Fund and also accorded sanction for drawal of Rs.2.50 crore from State Disaster Response Fund for the year 2017-2018.

State Drought Monitoring Centre (SDMC):

- ✶ State Drought Monitoring Center will assist the Tamil Nadu Disaster Risk Reduction Agency (TNDRRA) for continuous monitoring of the Drought as per the Disaster Management Act 2005.
- ✶ The Drought Monitoring Centre at State Level is established to ensure scientific assessment of situations that lead to Drought on a dynamic basis with the use of inputs from Indian Meteorological Department, National Remote Sensing Centre, National Crop Forecasting Centre, State Water Resources, Agriculture, Horticulture, Animal Husbandry, Rural Development, Civil Supplies Departments and Organizations like Electricity Boards.

District Drought Monitoring Centre (DDMC):

- ✶ The District Drought Monitoring Centre is established in all Districts of the State, and will form part of the District Disaster Management Agency. The District Drought Monitoring Centre will be headed by the District Collector and will function under the control of the District Collector.

Removal of Silt

- ✶ The Tamil Nadu Minor Mineral concession rules 1959, wherein farmers were allowed to take silt, a good natural manure, from the water bodies / reservoirs free of cost to their fields. This not only helped to nourish the fields, but also aided in restoring the lost capacity of the water bodies.
- ✶ Owing to the continuous efforts a volume of 7.51 crore cubic metre of silt was removed from the 35,292 reservoirs / tanks benefitting 6,68,039 farmers as on 15.09.2019.

Other Activities:

State Disaster Management Perspective Plan 2018-2030

- ✶ The Government of India came up with the National Disaster Management Plan in May 2016 integrating the Sendai Framework for Disaster Risk Reduction 2015-2030 adopted at the Third UN World Conference in Sendai, Japan, on March 18, 2015. The Sendai Framework was the first International Agreement adopted within the context of the post 2015 development agenda.
- ✶ The Tamil Nadu State Disaster Management Perspective Plan 2018-2030 prepared in line with the Sendai Framework has been approved by the Tamil Nadu State Disaster Management Authority and has also been released by the Hon'ble Chief Minister on 28.08.2018.

Capacity Building

- ✶ Funds to the tune of Rs.5 crore were sanctioned by the Government for imparting training to the officials of various Departments and community organizations who are involved in rescue, relief and

restoration works during disasters. In continuation to this, mock exercises, seminars, trainings and awareness campaigns are being conducted in all the Districts and at the State Level.

MoU between TNDRRA and ADPC

- A MoU was signed with Asian Disaster Preparedness Centre (ADPC), Bangkok - an intergovernmental organization, for availing technical support on long term basis and for capacity building. The Tamil Nadu Disaster Risk Reduction Agency (TNDRRA) in coordination with ADPC conducted a three day training course on "Flood Disaster Preparedness" for District Revenue Officers and Senior Officers of line Departments from 25th to 27th, September 2018 and another training course on "North East Monsoon 2018 Preparedness" from 25th to 27th, October 2018 at Anna Institute of Management, Chennai.

Installation of Video Conferencing Systems

- Video Conferencing System has been set up at Chennai in the Office of the Commissioner of Revenue Administration and at all the District Headquarters through ELCOT at a cost of Rs.1.93 crore in order to speed up the communication during the time of rescue and relief operations to prevent the risk of loss of lives and damage to property during disasters.

GIS cell and Storm Surge model

- The GIS Cell has been established at Tamil Nadu Disaster Risk Reduction Agency, which will customize National Database for Emergency Management (NDEM) to create the State Database for Emergency Management (SDEM). The GIS cell has been formed in collaboration with Centre for Disaster Mitigation and Management (CDMM), Anna University; Institute of Remote Sensing (IRS), Anna University and Indian Institute of Technology Madras (IIT-M) Department of Ocean Engineering.

Humanitarian Assistance and Disaster Relief (HADR) Exercise 2019

- As per the directions of the Hon'ble Prime Minister for conduct of annual HADR

exercise by the three wings of the Armed Forces, the Navy conducted an HADR Exercise on Cyclone and Urban Flooding jointly with TNSDMA in all coastal Districts (except Kancheepuram). The State and District authorities participated in the Exercise by activating the State and District Emergency Operation Centers and mobilizing the State's assets, whereas NDMA coordinated by mobilizing NDRF and requisite National assets. The exercise was spread over 3 days and was attended by foreign observers. The SDMA, Army, Navy, Air force, Coast Guard, Fire & Rescue Services, NDRF, SDRF, State Police, Fisheries and District administration participated in this exercise which was held from 2nd - 4th August, 2019.

Aapda Mitra - Community Volunteers Training Scheme

✶ The National Disaster Management Authority (NDMA) has approved a centrally sponsored scheme focussing on training community volunteers in disaster response in flood prone Districts and Chennai has been identified in Tamil Nadu as one among the 30 most flood prone Districts of India. Training has been imparted to 200 community volunteers under this scheme. Additionally another 100 community volunteers are proposed to be trained under this scheme.

Capsule Training to Tamil Nadu Fire and Rescue Services Personnel

✶ An amount of Rs.15 lakh was sanctioned from the State Disaster Relief Fund as a special case for developing "Capsule training on various kinds of rescue activities" .

Mass awareness campaigns

✶ Mass awareness campaigns under the Chairmanship of Hon'ble Minister for Revenue & Disaster Management Department on reiterating and ensuring steps to create large scale public awareness on the preventive steps to be adopted against man-made and natural disasters with special focus on water body (Rivers, wild streams in forest areas, waterfalls, abandoned bore wells, channels, ponds, lakes, drains etc) related incidents and accidents in five Districts.

Jal Shakti Disaster Management Practices at Jammu

✶ The Hon'ble Minister for Revenue and Disaster Management Department along with the Officers of the State Government of Tamil Nadu attended the two-day Conference on Jammu 'Ek Bharat Shreshta Bharat' with focus on "Jal Shakti Disaster Management Practices" at Jammu on 30th November and 1st December, 2019.

System for Multi-Hazard Potential Impact Assessment, Alert, Emergency Response Planning and Tracking (TN-SMART)

✶ The Government have accorded approval for developing a System for Multi-Hazard Potential Impact Assessment, Alert, Emergency Response Planning and Tracking (TN-SMART) for assessing potential impacts of hazards using weather forecast information. The RIMES (Regional Integrated Multi-Hazard Early Warning

System for Africa and Asia) is engaged to design the TN-SMART System.

- The salient features of TNSMART are forecasting disaster risk, communication of risk via Mobile Application, registering and tracking distress calls and evaluating risk reduction measures. TNSMART assess the potential flood risk based on rainfall forecast issued by India Meteorological Department for the identified vulnerable locations in all the Districts of Tamil Nadu, in combination with previous rainfall quantity received during the season and status of water level in the reservoirs and tanks. Further, the assessed risk is communicated via mobile application to alert the field level functionaries and the community to prepare for minimizing the impacts of potential flood / cyclone risk through timely evacuation of people in low lying areas to safe shelters. This mobile application has an unique alarm system that can send an alarm, even if the mobiles are in silent mode and the alarm stops only after the alert is viewed by the user to ensure timely dissemination of early warning information to minimize loss of lives during life threatening disasters like Tsunami, Cyclones and Floods. Through this mobile application, public can lodge complaints related to disasters and the same will be registered, forwarded to concerned officers for action and tracks the action taken on complaints.

Coastal Disaster Risk Reduction Project (CDRRP):

- With the financial assistance from World Bank, Coastal Disaster Risk Reduction Project (CDRRP) is being implemented by Government of Tamil Nadu at an estimated cost of Rs.1,549.27 crore. Under this Project:-

Multi-Hazard Resilient Houses

- 14,347 Multi Hazard Resistant Houses have been constructed in 488 coastal habitations at a cost Rs.310 crore.

Multi-Purpose Evacuation Shelters

- 121 Multipurpose Evacuation Shelters have been constructed in the coastal Districts at a cost of Rs.331.03 crore and put to use.

Fisheries Infrastructure and Sustainable Livelihood

- Infrastructure Development works under the component sustainable fisheries namely Reconstruction and Modernisation of Fishing Harbours, Stabilisation of Bar-mouth etc., have been completed at a cost Rs.210.30 crore.
- 17,539 hand held VHF Marine Radios with built-in GPS receivers have been procured and distributed to the fishermen. To enhance the livelihood of fishermen, various schemes have been implemented at a cost of Rs.107.50 crore.

Curriculum Development for School Students and Teachers on Disaster Management

- In order to create awareness about Disaster Management among school students and teachers Disaster Management concepts in the school curriculum from 7 to 12 and Teachers training course curriculum have been introduced at a cost of Rs.2.50 crore.

Community Based Disaster Risk Management

- To create awareness regarding Disaster

Management among the Coastal Population CBDRM training has been imparted to 3,34,457 persons in 5,892 Groups.

Early Warning System

- Installation of Early Warning System at 450 sites in order to deliver the warning alerts and message to the targeted coastal community has been proposed at a cost of Rs.50 crore and works are under progress.

Conversion of Overhead Power lines into Underground cables

- Conversion of Overhead lines into Underground cables has been taken up in Cuddalore and Vellankanni towns by TANGEDCO at an overall cost of Rs.406.83 crore in order to avoid damages to the power infrastructure during disaster.

Land Administration

Free House-Site Patta

- The Government is granting House-Sites to the eligible houseless poor people free of cost from available land set apart for village sites under Revenue Standing Order 21. As per R.S.O.21(6), Revenue Divisional Officers / District Collectors are empowered to change the classification of various types of unobjectionable Government poramboke lands into 'Natham' when the existing Village Site is not sufficient to meet the needs of the houseless poor people.

- During the period from 16.02.2017 to 10.01.2020, as many as 7,70,468 Free House-Site Pattas have been issued.

Online Patta Transfer

- In order to ensure delivery of Patta Transfer Services directly to the public, the Government have issued to implement Online Patta Transfer (OPT) System.

- Thereafter, Patta Transfer application is being processed in a work-flow based system by Taluk officials through online.

- The action taken on the Patta Transfer application is being sent to the applicant through SMS. The applicant can get copies of Chitta and "A" Register through online "anytime anywhere" services through https://eservices.tn.gov.in website. Legal validity has been conferred to these documents with digital signature and QR (Quick Response) Code.

- This system is under implementation in 310 Taluks.

- Under this System as many as 32,25,340 Patta Transfer orders have been issued.

- With effect from 12.12.2018, Rural land records have been integrated with Registration Department's STAR 2.0 software. The OPT applications are transferred to Tamil Nilam Website from Registration Department directly after the registration of immovable properties, for transfer of patta.

- This Scheme has been awarded as "The best e-Governance Scheme in Confederation of Indian Industries – Connect Event of 2017".

- In order to improve the infrastructure of Central Survey office, Chennai, 4 Regional Deputy Director offices and 32 District Survey Offices have been provided computers, UPS, Batteries, and printers in the year of 2018-2019 at a cost of Rs.0.59 crore for Central survey Office, Chennai and Rs.1.60 crore for Regional Deputy Director's office and District Survey offices.

Resurvey using Modern Equipments:

- By using of modern survey equipments like Differential Global Positioning System (DGPS) and Electronics Total Station (ETS), Re-survey work is being done in 3 Districts. In 5 Districts works has been completed and in 2 District work is progress.
- 2,879 Patta has been issued under Natham settlement wing; 6,05,000 Patta has been issued under Revenue Follow-up work in Corporation and in Municipal Towns.

Urban Land Ceiling & Urban Land Tax

- Urban Land Tax amount to the tune of Rs.25.76 crore was collected and remitted into the Government Account.
- Under Innocent Purchasers' Scheme concurrence for regularisation was issued by Government for 707 cases; Concurrence for regularisation was issued for an extent of 1,89,467.4 sq.m.of lands.
- The land value amount remitted into the Government Account by the Innocent Purchasers is arrived Rs.9,97,00,995
- Five posts of Steno – Typist and one Junior Assistant posts were filled up through Tamil Nadu Public Service Commission; Three posts of Junior Assistant were filled up by mode of appointment on Compassionate ground.
- Appointment orders were issued to 41 Direct Assistants recruited and selected by Tamil Nadu Public Service Commission.
- Rs.6,05,690 was allotted by the Government for purchase of 10 Desktops Computers from ELCOT for this Department.
- Rs.2,86,032 was allotted by the Government for purchase of 20 Multi Function Printers from ELCOT for this Department.
- Rs.3,30,592 was allotted by the Government for purchase of Furnitures from TANSI for O/o The Assistant Commissioner (Urban Land Tax) Madurai.
- Rs.3,59,233 was allotted for the year 2019-2020 by the Government for purchase of 6 Desktop Computers and 3 Multi Function Devices with Net work for the O/o The Assistant Commissioner (Urban Land Tax) Madurai and Trichy and for O/o The Special Tahsildar (Urban Land Tax) Coimbatore.

Rural Development and Panchayat Raj

- Under Chief Minister's Solar Powered Green House Scheme (CMSPGHS) 80,000 houses are taken up at a cost of Rs.1,680 crore. Under Pradhan Mantri Awaas Yojana (Gramin) (PMAY-G) 5,27,552 houses are taken up at a cost of Rs. 8,968.38 crore.
- Under the new scheme "Repairs to Houses constructed under Government schemes", 45,594 houses are taken up for repair works and completed at an estimate cost of Rs.227.97 crore.
- Under Tamil Nadu Rural Roads Improvement Scheme (TNRRIS), 11,016 roads for a length of 19,180 km have been taken up for improvement at a cost of Rs.4,000 crore.
- Under NABARD - Rural Infrastructure development Fund (RIDF), 1,096 rural roads for a length of 2,060 km and 191 bridges have been taken up at a cost of Rs. 812.68 crore.
- Total length of 5,067 km roads which are of length less than 1 km have been taken up for improvement at a total estimate cost of Rs.1,209 crore.
- Under Panchayat Union Share of State Finance Commission Grant and 14th Central Finance Commission Grant, totally 3,174 km length of road works have been taken up for the improvement at a cost of Rs.717 crore.
- Under Pradhan Mantri Gram Sadak Yojana (PMGSY) 1,340 Roads and 61 Bridges have been taken up for a length of 3,947 km at a cost of Rs.2,066 crore.
- For the best performance in PMGSY for the years 2016-2017 and 2017-2018 the Government of India has released a sum of Rs.100.90 crore as incentive fund for periodical maintenance. A sum of Rs.67.26 crore has been released as state matching share and periodical renewal of PMGSY Road works has been taken up at an estimate cost of Rs.168.16 crore.

- Under Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), 77.25 crore Man days have been generated for which an amount of Rs.14,245.15 crore has been paid as wages.
- Under Tamil Nadu Water Resource Conservation and Augementation Mission 2019-2020, (Kudimaramathu Scheme), water bodies under the control of Rural Development and Panchayat Raj Department are taken up for Desilting and bund strengthening using machineries at a cost of Rs. 500 crore from State fund and for civil infrastructure Rs. 750 crore has also been allocated under MGNREGS.
- Under Swachh Bharat Mission (Gramin), all the 12,524 Village Panchayats have been declared as Open Defecation Free (ODF) Panchayats.
- Solid Waste Management Activities have been taken up in all the 12,524 Village Panchyats in the State by engaging total number of 66,025 "Thooimai Kaavalars" (Sanitation Guards) at a cost of Rs.206.04 crore.

Tamil Nadu Corporation for Development of Women

Social Mobilization & Institution Building :

- New SHGs were formed from the left out poor households identified through PIP process. 32,238 SHGs Revived and New SHGs have been formed under TNSRLM.
- Seed Money is provided to the SHGs on their completion of 3 months and grading. Rs.3,620.85 lakh had been released to the 24,139 SHGs as seed money at the rate of Rs.15,000 per SHG.
- Community Investment Fund is a project fund given to SHGs as loan for their economic activities. Rs. 29,873 lakh had been released to 59,746.
- The vulnerable people are identified in the project through the process of Participatory Identification of Poor. Rs. 4,145 lakh had been released to 5,839. VPRCs as Vulnerability Reduction Fund at the rate of Rs. 25,000 per VPRC.

Capacity Building :

- SHG and Animator and Representative training has been given to 11,690 new Self Help Groups at a cost of Rs.235.78 lakh.
- 14,820 CSTs were given training at a cost of Rs.70.98 lakh.
- 14,820 community SHG trainers (CSTs) were given Rs.1,742.90 lakh honorarium for the CSTs.
- 12,734 VPRC Members were given VPRC Book Keeper training at a cost of Rs.53.67 lakh in overall VPRC book keeper training.
- For strengthening the PLF training has been given in 12,286 Panchayat Level Federation (PLF) at cost of Rs.200.81 lakh.
- 14,998 Candidates were given administrative sanction for wage employment training at a cost of Rs.10.52 crore under MGNREGS Project Life.

Financial Inclusion:

- Credit Linkage has been provided to the tune of Rs.29,427.32 crore to 8,05,548 SHGs and Bulk loan for 108 PLFs.
- 1,48,352 SHGs have been provided Interest Subvention of Rs.2,077.25 lakh.

Skill and Placement:

- The target youth from the rural area in the age group of 18 to 35 are identified and totally 9,063 candidates have been trained and placed under the Deen Dayal Uphadhyaya Grameen Kaushalya Yojana (DDU-GKY) in the tune of Rs.90.64 crore.

Job Mela 2017-2019 :

- Till date 888 Job Melas have been organized at the rate of Rs.7.70 crore and 74,394 candidates were given placement in various organizations.

Deendayal Antyodaya Yojana – National Urban Livelihood Mission

(DAY- NULM)

- In Urban areas, 42,347 New Self Help Groups are formed.
- Revolving Fund (RF) amounting to Rs.30.66 crore was disbursed to 30,662 SHGs.
- 1,023 Area Level and 45 City Level Federation have been formed.
- Seed Fund amounting to Rs.2.76 crore was disbursed to 535 Area Level Federation.
- 28,922 no of individuals are assisted under Self Employment Programme (SEP-I) and the amount assisted under SEP – I is Rs.168.21 crore.
- 229 Street Vendors are assisted under Self Employment Programme (SEP-I) and the amount assisted under SEP – I Street Vendors is Rs.90 lakh.
- 19,482 Self Help Groups are assisted under SEP Group is Rs.577.75 crore.
- 69 Self Help Groups – Common Interest Group are assisted under SEP-G - CIG is Rs.58.20 lakh.
- 27,100 SHGs are credit linked under SHG Bank Linkage Programme in Urban area and the amount of credit linkage provided to them is Rs.1,056 crore.
- 22,083 Youths are trained under EST&P (Employment Through Skill Training and Placement) component.

Livelihood :

- Amma Two Wheeler Scheme is in implementation from 2017-2018 onwards and 1,70,025 beneficiaries have been

benefitted for the past 2 years for which a sum of Rs.394.65 crore has been released towards subsidy. Also, an amount of Rs.252.50 crore has been allocated for the scheme for the year 2019-2020 for the benefit of one lakh beneficiaries.

- Under NRLM – AAP livelihood activities are under taken from 2016-2017. Total fund of Rs.168.18 crore had been allotted for the implementation of Livelihood activities. So far an amount of Rs.39.66 crore have been spent for both Farm and Non Farm activities.
- Mahila Kisan Sashakaran Pariyojana Scheme implemented (First Phase) in Kancheepuram, Thiruvallur and Villupuram and Karur. Under this scheme till date 16,800 Mahila Kisans are being trained and Expenditure of Rs.11.99 crore has been incurred.

Marketing :

- From 2017-2018 to 2019-2020 for above 3 years Tamil Nadu Women Development Corporation have been conducted 5 state level exhibitions, 68 District Level Exhibitions, and 192 College Bazaars. Moreover 5 Regional Level SARAS conducted in Vellore, Trichy, Salem, Kancheepuram and Tirunelveli and also participated in 23 National Level SARAS. Totally Rs.1,275.25 lakh worth of Products sold out which benefitted of 8,618 SHGs.

IFAD assisted Post Tsunami Sustainable Livelihoods Programme (PTSLP)

- We have taken steps for financial inclusions of poor and vulnerable fish vending women and formed them into Joint Liability Groups (JLGs) and ensured successful sustainable livelihood through linkages with financial institutions. We got SKOCH National Award for this initiative in the category of "Financial Inclusion."
- We introduced an innovative concept of PLFs as Business Development Correspondents (BDC) and financial institutions pay 2% to these PLFs at the time of disbursement of loans and then during repayment. It will go a long way in ensuring the sustainability of PLFs. For this novel step, we got second SKOCH National Award this year.
- Twelve Artificial Reefs have been deployed in Thiruvallur, Kancheepuram, Villupuram, Cuddalore, Nagapattinam and Kanniyakumari Districts at a cost of Rs.222 lakh to enhance the fisheries resources through CMFRI.
- 4,124 Self Help Groups have availed credit to the tune Rs.16,603.73 lakh.
- 2,527 Joint Liability Groups financed covering 12,550 beneficiaries at a total cost of Rs.5,151.78 lakh.
- 10,334 beneficiaries have availed soft loan worth Rs.728.79 lakh under Vulnerability Reduction Fund.
- 10,367 beneficiaries have been taken on Community Exchange visit.
- 15 Panchayat Level Federation office buildings have been constructed.
- 46 Fish Marketing Societies have been formed with a total membership of 2,052 fishermen who have been redeemed from indebtedness to the tune of Rs.722.55 lakh and 10,044 fishing boats have been insured.

- 16 Fish Marketing Society office buildings constructed at a cost of Rs.132.80 lakh.
- 99 Net mending sheds and 23 Fish drying yards have been constructed at a cost of Rs.1,130.90 lakh.
- Three Reverse Osmosis (RO) plants have been established in Thiruvallur, Kancheepuram and Nagapattinam Districts at a cost of Rs.32 lakh.
- 542 JLGs formed with 2,566 women fisher vendors. Collateral free loan of Rs.384.90 lakh have been disbursed

Tamil Nadu Rural Transformation Project (TNRTP)
